MISSION STATEMENT

Faithful to the teaching of the Catholic Church, Catholic Central High School prepares students to live their faith in a Christ-centered environment where academic excellence is fostered through a well-defined curriculum. With respect for oneself and each other, we strive to develop responsible individuals who make faith-filled decisions and become contributing members of a diverse society.

ALMA MATER

***When school days long are past,
And memories shall last,
Then we will cherish thoughts of yesteryear,
And pleasant they will be,
When ever we think of thee,
Dear Alma Mater know our loyalty***

***Sing ye of Central, sing;
Hail to thee.
Thy name is liberty, truth, morality,
Wave true ye blue and gold;
March on Crusaders bold.
Victory will then enfold
Central High.***

Catholic Central High School participates in Safe and Drug Free Schools.

DISCLAIMERS

Non-Discrimination Policy

The Diocese of Steubenville admits students of any race, color and national or ethnic origin. It is the policy of the Diocese of Steubenville not to discriminate on the basis of sex in its educational programs or employment as required by Title IX of the education amendments of 1972.

By registering at CCHS, a student and his/her parents/guardians understand and agree to pursue the educational objectives and practices as stated in this handbook and to observe the disciplinary code of this school. Enrolling your son/daughter in CCHS implies your acceptance to be governed by the policies in this Handbook.

All policies, regulations and practices as stated are in compliance with Ohio School Law as found in the Ohio Revised Code as pertaining to chartered non-public schools; the Ohio Department of Education; the Ohio Catholic Schools Accrediting Association, the North Central Association of Schools and Colleges, and the Diocesan Office of Education.

The Principal may amend the *Parent/Student Handbook*, as needed and such amendments shall become effective upon written notification to the parents of any such amendments. Central Catholic High School shall hereafter be designated as CCHS. This Handbook will be modified from year to year as needed by changes in policies and regulations

PHILOSOPHY

Our Catholic Community seeks to pass on its heritage of Faith to our children. CCHS exists primarily to serve this mission. This Tradition calls forth:

A belief in the active presence of God which we celebrate in prayer and Liturgy;

A maturity that accepts responsibility and recognizes limitations;

A regard for the authority of the Church;

An active concern for social justice, peace and human rights, both personal and communal; psychological growth and a personal sense of self-worth.

It is the responsibility of the entire staff to emulate these ideals and to ensure that they pervade the structure of school life. It is in service to the Gospel of Jesus Christ and our Christian ministry that we seek to promote spiritual, intellectual, physical, and social growth in a caring community environment. CCHS strives to be a resource and a guide to this lifelong task through a program of sound religious formation and excellence in education.

As an education institution, CCHS seeks primarily to:

To lead students to an awareness of the Lord Jesus Christ in their lives;

To promote in the individual student those morally sound behaviors which promote success, such as effective study habits; use of available resources; and a desire to investigate beyond the basics;

To foster academic excellence, inquiry and development in the curriculum, as well as encouraging aesthetic, athletic, vocational and parish/community programs;

To support the democratic ideals of our nation by instilling in the students a sense of Christian leadership and responsible political involvement;

To respect and nurture an interdependent relationship between and among the school community and the parents, parishes, and communities from which CCHS draws life.

School Seal

The seal of *Central Catholic High School*, in the school colors of Blue and Gold, is divided into three parts. The upper two segments display the Crusader, a Sword and a Band. These emblems are symbolic of the Christian ideals on which *CCHS* is founded, and to which each of her students strives to integrate into his/her life. The third section of the seal bears a rose, a heart and a crescent...symbols of the Immaculate Heart of Mary. Mary, under the title of the Immaculate Conception, is the patroness of Catholic Central. In Mary, the students find the perfect model and guide as they grow towards their goal of Christian adulthood.

SCHOOL SERVICES

Religious Services

Mass is celebrated regularly in the school chapel as an option open to all students and staff. Liturgies are offered for the entire student body and faculty throughout the school year. In addition, class liturgies are offered throughout the school year.

The Sacrament of Reconciliation, school-wide prayer services and class retreats form yet another part of prayer at Catholic Central.

Cafeteria

The school cafeteria prepares and serves a daily hot lunch when classes are in session throughout the school year. Students can order either full lunches or a la carte. Milk and other beverages can be purchased to supplement lunches.

Guidance Office

Guidance Personnel are professionally trained and state-certified staff members who are in a position to assist the students in making decisions and assuming responsibility regarding self, school programs, and future education and careers. Major decisions regarding future education and career plans should begin to take shape towards the end of the student's junior year.

The senior year should ideally be used to apply to colleges, universities, and other post-secondary schools and programs; and meeting all application, registration, financial assistance and scholarship deadlines. It is recommended that students visit at least three colleges, universities, technical schools or other post-secondary programs during the summer preceding their senior year. It is the policy of *CCHS* to permit Seniors to have up to a maximum of three one-day excused absences to visit colleges or universities in which they are sincerely interested in attending. Juniors are permitted to make one college visit during their junior year. These school-authorized visitations are conducted under the following conditions...

- *a scheduled appointment has been previously made with the college or university Admissions office;*
- *the visit has the prior approval of the Guidance Department;*
- *the student make up all school work missed that day;*
- *the student pick up and return the visitation form to the Guidance Department Office no later than the day before his/her scheduled visitation; and that an official written verification of the visit, on college or university stationery, be presented to the Guidance Office on the next school day following the visitation.*

College Recommendation and Transfer of Credit

The recommendation to any college, university, technical or business school or any other program of post-secondary education is based strictly on the student's academic record and conduct. If the academic average and conduct record is deficient, no favorable recommendation can be given. A photocopy of the student's transcript will be sent to a college, university, technical or business school or any other program of post-secondary education upon the request of the student and/or his/her parents/guardians. There is a \$3.00 fee for each photocopy of the transcript sent.

Guidance Office Services

Consultation- Guidance Personnel are available to work with students, teachers and Administrator regarding students concerns, difficulties and problems. Counselors will also consult with parents and, when/if appropriate, authorized agencies in the community.

Information- Guidance Personnel will provide services that will assist students in making personal, educational, career and vocational decisions.

Appraisal- Guidance Personnel will coordinate and interpret local and national testing programs for students and their parents or guardians.

Orientation- Guidance Personnel will provide information about the school to new students that will enable them to make an effective adjustment to the school environment.

Referral- Guidance Personnel will develop and facilitate a system of referrals that will make available learning opportunities, as well as school and community services, to students and parents.

Placement- Guidance Personnel will assist students in making transitions from one school level to another; from one school to another; and from high school to post-secondary educational options and/or career choices.

Testing- Guidance Personnel will provide for needed testing of students aimed at determining special needs and learning disabilities.

Library/Media Center

The Library/Media Center is located on the second floor. It serves as a research and technology center for student assignments. Supplementing the computer labs, the Library/Media Center contains a number of state-of-the-art computers with internet connections and printers. This equipment shall be used by students under the supervision of the Library/Media personnel.

Any student who wishes to use the Library/Media Center during his/her study hall shall follow the following procedures:

- *Students shall first report to their assigned study hall before going to the Center. The student shall first present a signed pass to the Study Hall moderator who will also sign the pass to indicate that the student first reported to the Study Hall for attendance.*
- *The student immediately upon entering the Library/Media Center presents the pass to the Librarian.*
- *Students shall remain in the Center until the end of the class period.*
- *Students shall return library books before and after school only. Students are not permitted to return books to the Center during their assigned Study Hall.*

Treasurer's Office

The office of the Treasurer is open from 8:00 A.M. until 2:30 p.m. on days classes are held during the regular school year. Tuition is paid through the Treasurer's Office.

Advance-sale tickets to football and other school-sponsored athletic events are purchased through the Athletic Office.

RenWeb (Parents Web) will be turned off for nonpayment of tuition.

STUDENT ACADEMICS

Course Availability

Catholic Central High School reserves the right to decide, at any time prior to the first day of school, whether a given elective will be offered in a given year. This determination will be based on such factors as student interest, rotation sequence, availability of teaching staff, and funding.

In some cases, electives are offered in alternating years, i.e. one elective offered one year, one the next. In such cases, the elective not offered during the coming year may be printed in italics.

Catholic Central High School reserves the right to modify the prerequisites for any course when clearly extenuating and/or extraordinary circumstances are evident.

Course Offerings and Academic Requirements

Students at CCHS are offered subjects that cover the traditional course offerings of College-Preparatory, General Curriculum, and selected Business and Applied Arts Areas. These courses are designed to accommodate individual student differences and ability levels and to give a truly balanced education in terms of theology, the sciences, languages, technology and the humanities. A complete listing of course offerings can be found in the *Course Offering* book, published annually by the School.

Freshmen and sophomores are required to take a minimum of twelve (12) semesters of classes each year. Juniors and seniors normally are required to take a minimum of twelve (12) semesters of classes each year. Courses shall be chosen on a three-fold basis that includes: past achievement, actual ability, and established future educational plans and career choices.

Students are required to earn credit in the following academic areas as a requirement for graduation from CCHS...

Students in this program may select electives from any of those offered at Catholic Central; they are encouraged to take an additional 1 credit in mathematics; 2 credits in a laboratory science, 1 credit in a fine arts course, and either 3 or 4 credits in one foreign language. The program also offers opportunities for high school students to earn college credit.

Selected Business and Applied Arts Areas: Computers, Accounting, Mechanical Drawing and Architecture.

Progress Reports

Progress notices for students who are experiencing academic difficulties are mailed and/or e-mailed to parents or guardians at the mid-point of each quarterly grading period. Parents and guardians should contact their child's teacher(s) and/or the Guidance Office if notices are received.

Semester and Final Examinations

Mandatory comprehensive examinations are scheduled at the end of each semester. Details concerning these examinations are published prior to the days on which they are scheduled. These examinations account for 20% of the student's semester grade. Students are required to take their semester and final examinations during the regularly scheduled time. Students **will not** be dismissed from these examinations for vacation purposes. A student must obtain a grade of 95% or above for their final grade in order for them to be eligible for an exemption. This exemption is at the discretion of the teacher.

Failure of Courses

Religion Courses: A Freshman, sophomore, or junior who fails a required Religion course must repeat the course. A first-semester senior who fails a Religion course will be placed into an additional religion course during the second semester.

Other Required Courses: A freshmen, sophomore, junior or second-semester senior who fails a course required for graduation from CCHS shall successfully complete the course only through an approved summer school program. In the event that the course is not offered through an approved summer school program, the student will be rescheduled for the course during the succeeding school year. Should this not be possible, Catholic Central can approve the completion of the course through an approved on-line or correspondence school option. English and any other required courses which serve as prerequisites for sequential courses, and which are not offered in an approved summer school program, shall be completed through an approved on-line or correspondence school option during the summer following the school year in which the course was failed. All course work and testing shall be completed prior to the start of school in the fall.

A first-semester senior who fails a course required for graduation will, if his/her schedule permits, be rescheduled into a comparable course during the second semester; can elect to take an approved course through an approved on-line or correspondence school program. All course work must be completed by May 1st.

CCHS will not award a diploma to any student who has not completed all State, Diocesan, school and North Central Association academic and attendance requirements.

Grading System – Scale

+ (plus) or - (minus) is used to better clarify student performance and achievement.

A+	99 – 100	C	79 – 82
A	95 - 98	C-	77 - 78
A-	93 - 94	D+	75 - 76
B+	91 - 92	D	72 - 74
B	87 - 90	D-	70 - 71
B-	85 - 86	F	Below 70
C+	83 - 84		

Incomplete Grades

An Incomplete (“I”) given for any grading period indicates that a student has not completed a significant amount of class work for that grading period. An “I” will only be given in such cases where the student has been absent from school for an extended period of time due to serious illness, hospitalization, or personal or family hardship or tragedy.

Weighted Courses

In order to equalize the grade point average of those students taking regular courses and those taking more rigorous courses, a weighted-point value system has been established.

Honor Roll

Students who achieve a 3.000 (B) grade-point average or higher on an unweighted scale and have no grades of “D” or “F” for the quarter are listed on the Honor Roll.

Students who achieve a 4.000 (A) grade-point average or higher on an unweighted scale and have a grade of “A” in every course for the quarter are listed on the **Principal’s Honor Roll**.

Students named to the Honor Roll or the Principal’s Honor Roll will have this information placed on their permanent school record.

Class Rank

The class rank for Seniors for the purpose of determining Class Valedictorian, Salutatorian and graduation rank is computed, cumulatively, on the final grade received in each semester course and each full year course throughout the student’s Junior year of high school, plus the grades earned in the Senior year for each course through the interim report period of the fourth quarter. (This will include college courses.) In order to be eligible

for Class Valedictorian or Salutatorian, transfer students shall have been enrolled at *CCHS* for at least their entire Junior and Senior years or 4 semesters.

Ohio Graduation Tests (OGT)

All students in the classes of 2016 and 2017 must pass the Ohio Graduation Test and meet curriculum requirements in order to earn an Ohio Diploma. Students will be tested in the following areas: Writing, Reading, Mathematics, Social Studies and Science.

College Credit Plus

Ohio's new College Credit Plus can help you earn college and high school credits at the same time by taking college courses from colleges and/or universities. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to college-ready students. Taking a College Credit Plus course from a public college or university is free, which means no cost for tuition, books, or fees. If you choose to attend a private college or university, you may have limited costs.

HONORS CURRICULUM

Catholic Central offers an Honors Curriculum for juniors and seniors only. The intent of this program is to offer to those accelerated students the opportunity to participate in a full honors program. This will be reflected on both their graduation diploma and their transcript. To graduate with the full honors designation a student must have the following coursework and a minimum cumulative GPA of 3.

Vocational Education

A special program in Vocational Education is offered through the Jefferson County Joint Vocational School, whereby a student at Catholic Central can prepare for a career in one of many technical fields. Students in this program complete their first two years of study at *CCHS* where they successfully complete the following academic requirements...

Religion 2 credits

English 2 credits

Mathematics 2 credits

Science 2 credits Including: *Biology and Physical Science*

Health .5 credit

Physical Ed. .5 credit

Social Studies 2 credits Including: World History and American History

The student chooses suitable elective courses to complete his freshmen and sophomore years at Catholic Central.

During his/her final two years of high school, courses are taken at the Jefferson County Joint Vocational School where, in addition to the technical studies, graduation requirements in both English and Social Studies are taken. All students who are enrolled in the JVS are required to attend Religion class at *CCHS*.

In this manner, students meet the religious education requirements necessary for graduation from CCHS. CCHS students attending the JVS who do not attend these Religion Classes will not be granted a diploma from CCHS.

The prospective student shall file application for the Joint Vocational School during his/her sophomore year. He/she shall normally initiate this process by first consulting with the Guidance Office at Catholic Central.

Students attending the JVS are assessed a fee. Seniors who attend the JVS are also required to pay the CCHS graduation fee.

Catholic Central students attending the JVS remain Catholic Central students and are encouraged to participate in the student activities program.

Service Requirement

All students will be required to earn 15 service hours each year. Freshman and Sophomore students are encouraged to volunteer their service to their parish and in the school. Junior and Senior students are asked to volunteer in the school, parish and community. Community service hours are recorded and tabulated as part of the student’s transcript. Service hours must be completed by April 30th each year.

Service Hours Required of Seniors

For Graduation	15 Hours
For the Academic Letter	35 Hours
For NHS	20 Hours
For NHS Students pursuing an Academic Letter	45 Hours

The twenty hours that students are required to complete for NHS will count toward their 15 hours for graduation; these hours CAN overlap.

However, only ten (10) of the hours which students complete for NHS can be counted toward the hours required for the Academic Letter. NHS students must complete an additional thirty-five (35) hours in order to earn an Academic Letter for a total of 45 hours. Remember that service hours for the Academic letter must include hours performed in service to the school, in service to the parish, and in service to the community.

Financial Assistance

Financial assistance is available by completing the Financial Assistance Form. The forms are available beginning with registration and are due in the Business Office by May 30th.

Release of Records

Transcripts of student academic records can be released to the parents/guardians of a student (or to the student, in the case of an 18 year old). The records shall be requested in writing by a parent/guardian (or student, in the case of an 18 year old). The fee for a transcript is \$3.00.

COMPULSARY EDUCATION AND SCHOOL ATTENDANCE

Student Attendance

Students enrolled in Diocesan Schools are expected to maintain a ninety-five percent (95%) attendance rate based upon the 1,001 hours of instruction required by the Ohio Revised Code. It is the responsibility of the parent(s)/guardian(s) to support the Administration’s efforts to maintain this standard through notification, counseling and where necessary, referral to appropriate legal sources. Principals shall notify parent(s)/guardian(s) of the school’s concern about the student’s attendance when five (5) days of absence have been recorded. Parental/guardian failure to comply with the program of compulsory attendance will result in withdrawal of the student from school. The Principal shall be the final arbitrator of what constitutes a satisfactory record of attendance.

Parents are required to call the school each day a student will not be in attendance because of illness. Further, parents are to send a note stating the reason for the absence with the student the day he/she returns to school after the absence.

Catholic Central students who have attained their eighteenth birthday are required to comply with all aspects of

CCHS attendance policy if they wish to remain in the school and to graduate from this school. This includes the requirement to present a written note from their parents or guardians for school absences.

A student who becomes ill during the course of the regular school day shall report to the school nurse or the Main Office. If the student's illness is of such gravity that they shall be sent home, the parents or guardians will be contacted for arrangements to go home. Students are not permitted to leave school unless a parent or authorized family member has been contacted for permission. Additionally, students who become ill at school are not to call their parents or guardians rather than reporting to the school nurse or the main office.

Students are required to be in attendance for the entire school day in order to participate in school-sponsored interscholastic and/or extra- or co-curricular events and activities.

Specifically, this means that the student is not absent beyond first period nor dismissed before the end of the school day, unless he/she has *Senior Privilege* during the first or last period. Likewise, students are expected to be in attendance on the last school day preceding non-school day events and activities in order to participate, as members, in these school-sponsored interscholastic and/or extra- or co-curricular events and activities. Normally, students who are absent from school the entire day are not to be in attendance, either as spectators or participants, in school-sponsored athletic, extra- or co-curricular events and/or activities on the day of the absence.

Exceptions to the above policy shall be made only by the Principal, and then, only if arrangements were made with the Principal prior to the date in question.

A student who has missed eight (8) or more classes in a given course will receive an automatic failing grade "F" for that class or for those classes in that particular grading period. The exception to this are those students who have been absent due to an extended illness - an illness of a duration of four (4) or more consecutive days for which a physician's note has been provided. In this latter case, the student is considered to be absent from his/her class and his/her records are marked accordingly; but the absence is not considered in accumulating the eight (8) previous-noted classes or days. A doctor or physician's note for a one-day absence does not constitute an extended illness and, as such, the absence will be considered in accumulating the eight (8) absences.

Students are required to see all of their teachers on the day they return to school following an excused absence. This is to be done outside of the regular class time. Students will be given one day for each day absent to complete all tests, quizzes or make-up work. This make-up time can be extended for a reasonable period at the discretion of the teacher. However, students who have not made-up all tests, quizzes and other class work by the end of the quarter will not be given time to complete these during the succeeding quarter or grading period.

Students who are truant from one or more classes are not permitted to make-up tests, quizzes or work missed during the truancy. The tests, quizzes or work missed will be recorded as a failing grade "F".

Absenteeism and tardiness are recorded on the student's permanent, cumulative record. This is subject to review by college/university admissions officers, financial assistance and/or scholarship agencies, prospective employers, and other types of post-secondary educational and employment directors. It is not unusual for a college, university, financial assistance or scholarship application to request that the high school indicate the number of school-sponsored, excused and unexcused absences that a student has accumulated throughout his/her high school career.

Arrival and Dismissal

Unexcused tardiness to school in the morning constitutes truancy from any class or part of any class missed and will be assigned three (3) demerits and a detention. The student will be required to make up any time missed after school.

Students are never permitted to leave school grounds during the day without parental/guardian permission and an excuse from the Main Office. Students found leaving the school grounds without proper permission will be administered a disciplinary infraction. An exception to this is *Senior Privilege* and as such must have a written permission form on file in the Main Office.

If a student is to be dismissed during the school day, the parent or guardian must send in a note with the

student in the morning. The office staff will issue a Permit to Leave School which the student will present to the teacher before being permitted to leave that class. A phone call should only be used in an emergency.

Students who normally ride a school bus that picks up students at 2:20 P.M., but who drove to school on a particular day, may not leave until regular dismissal time.

Family Trips

Family trips during regularly scheduled school time are discouraged. However, should an unavoidable trip be necessary; arrangements shall be made in advance. Students accompanying their parents/guardians on a trip shall...

- Notify the school Administration in writing two weeks prior to planned trip;
- Hold a conference with the various teachers in order to obtain necessary assignments;
- Confirm that the conferences were held to the Administration; and
- Complete all of the required work and assignments.

A student not complying with the aforementioned policies shall receive failing grades "F" for the work missed. Absences while on family trips are counted towards the accumulated maximum of eight (8) during any given quarter and for any given class.

Tardiness - Truancy from Class

Students who are habitually tardy to school do not receive the benefit of a complete education. Students who arrive tardy to school or leave early 5 times will be placed on probation; a parental conference will be held to discuss the problem and help the student achieve an appropriate and successful attendance record.

A student arriving to class within five (5) minutes after the bell has rung will be considered tardy from that class. Students who arrive later than five (5) minutes to class will be considered truant and will not be permitted to enter the class without a note from the Main Office. Students who are habitually tardy for school will be subject school sanctions and will be required to have a parent conference with the Principal.

STUDENT HEALTH AND SAFETY

Anabolic Steroids - Health Threat

Warning: Improper use of anabolic steroids may cause serious or fatal health problems, such as heart disease, stroke, cancer, growth deformities, infertility, personality changes, severe acne, and baldness. Possession, sale or use of anabolic steroids without a valid prescription is a crime punishable by a fine and imprisonment. (Ohio Revised Code 3313.752)

Immunizations

Students are required to provide proof of immunization against mumps, poliomyelitis, diphtheria, pertussis, tetanus, rubella and chicken pox at the time of their original entry into the school or at the beginning of the school year.

Medical Authorization Forms

Under the Ohio Revised Code, each student shall have a completed Emergency Medical Authorization Form on file in the school. These forms are completed on an annual basis. Failure to complete the form can result in the student not being permitted to attend classes until such time as the completed forms are submitted.

Fire & Tornado Drills

Specific directions for drills are posted in all classrooms. All faculty members have the responsibility to make students aware of these regulations at the beginning of each grading period. Students are required to be with their respective classes, maintain silence, and remain with them during the entire drill. A signal will be given to return to the classroom.

Cheating

CCHS students are expected to maintain the highest standards of honesty and integrity in all academic areas. The school looks upon cheating on any test and all other class assignments as an extremely serious offense. Cheating is unjust, dishonest, and in a very real sense, stealing. The teacher or faculty member who discovers the dishonesty will inform the student and the administration of his/her finding.

A Disciplinary Referral will be submitted by the teacher to administration.

A copy of the report will be sent to the parents/guardians of the student, and a copy will be placed in the student's file.

The minimum penalty for cheating is a grade of "0" and a one-day suspension.

Cheating on standardized tests (PLAN, PSAT, etc.) will result in sanctions or consequences by the school and as mandated by the responsible agency.

False Alarms

A student shall not discharge or cause to be discharged any false alarm for fire, fire extinguishers, tornado or any emergency event.

This behavior will result in a probationary hearing that will result in a suspension or expulsion and a potential fine.

Anti-Harassment Policy

It is the policy of the Office of Education of the Diocese of Steubenville that any harassment of students by students shall not be tolerated. Students shall not be permitted to engage in physical or verbal harassment based upon race, color, ethnic origin, gender and physical or mental limitations of other students. The Principal and teachers shall enforce this policy as an integral part of their employment responsibilities.

Peer Sexual Harassment

Peer sexual harassment is strictly forbidden on the premises and during programs and activities of all Diocesan Schools. Peer sexual harassment is any unwelcome physical or verbal conduct of a sexual nature, such as touching or grabbing or sexual comments, directed at a person because of his or her sex that interferes with the ability of a student to receive an education.

Students enrolled at all Diocesan Schools shall treat their fellow students with dignity and respect all times on school property and in school programs and activities. Disciplinary action shall result from violations of this anti-harassment policy. Students are strongly encouraged to report peer sexual harassment immediately to a teacher who shall report it immediately to the Principal. The Principal shall take prompt and fair action to investigate any report and to stop the peer sexual harassment.

Dating violence will not be tolerated at Catholic Central High School. Dating Violence is defined as a pattern of behavior where a person uses or threatens physical, sexual, verbal, or emotional abuse

to control the person's dating partner. Demerits or Suspension may be issued based on the severity of the incident.

Peer Harassment

Peer harassment is strictly forbidden on the premises and during programs and activities of all Diocesan Schools. Peer harassment is any unwelcome physical or verbal conduct directed at a person that interferes with the ability of a student(s) to receive an education.

Students enrolled at all Diocesan Schools shall treat their fellow students with dignity and respect all times on school property and in school programs and activities. Disciplinary action shall result from violations of this anti-harassment policy. Students are strongly encouraged to report peer harassment immediately to a teacher who shall report it immediately to the Principal. Hazing

CCHS has a no tolerance policy with regard to any Hazing activities, as they are inconsistent with the educational process and a violation of human rights and dignity. No Administrator, faculty member or other employee of the school shall encourage, permit, condone, or tolerate any hazing activities. No student, including leaders of student organizations, shall plan, encourage or engage in any hazing.

Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Permission, consent or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained herein.

All hazing incidents shall be reported immediately to the Administration.

Hazing is forbidden by law, and the State of Ohio provides fines and imprisonment for students who engage in hazing, and provides fines for adults who permit hazing.

Student Discipline

Under most circumstances, CCHS uses a progressive disciplinary process to provide students with an opportunity to learn from their mistakes and improve their behavior. This disciplinary process provides for notification of parents/guardians and ensures that the student and the parents/guardians are afforded due process. While the normal progression of disciplinary action moves from demerits to suspension to expulsion, the Administration of CCHS reserves the right to bypass lesser levels of penalty for continued, willful, grossly insubordinate, dangerous, or potentially dangerous behaviors.

Assignment of Demerits and Explanation of Demerit Matrix

(The assignment of demerits and detentions are under revision)

The ultimate purpose of a student code of conduct and the associated disciplinary policy is to ensure that a safe, supportive and effective environment is created and maintained in the school. It is further recognized that an array of student behaviors can have a range of negative effects on the environment depending upon the potential of the behavior to harm other students, members of the staff, the community in general, the student committing the offense him or herself, the physical environment or the learning atmosphere. The matrix of offenses outlined in this handbook provides a relative ranking of general categories of misbehavior based on the potential for major, widespread or irrevocable harm to members of the Catholic Central community. It is impossible to list or categorize all types of disciplinary violations; therefore, the school Administration reserves the right of disciplinary assignments as situations merit.

The matrix will serve as a general guide to students and parents in the matter.

GENERAL REGULATIONS

Admissions and Transfers

Students of any race, color, creed, ethnic or national background can apply for admission to *CCHS*. However, as a part of the local participating Catholic parishes' educational ministry, Catholic Central exists first to serve qualified students from those parishes.

Students who have withdrawn to attend one of the public schools in the area can be readmitted to *CCHS* at a later date at the discretion of the Principal.

Assemblies

Assemblies are held for a variety of reasons; recreational, educational, or cultural. In order to have assemblies of a different variety, individuals will demonstrate respect for their fellow students and any persons conducting those assembly programs.

Entrance procedures and seating have been assigned.

Photography

From time to time, students are photographed. Further, these photographed individuals are not necessarily identified in publications. *CCHS* assumes the right to use such images without necessarily identifying individual students in various video and printed publications unless a parent/guardian notifies the school, in writing, by September 1st of the current school year, of the parent/guardians wishes that the child's photograph not be published.

Cafeteria and Lunch Period

Students are expected to be out of the main building when their lunch period begins, and are to remain in the cafeteria or on the pavilion area immediately outside the cafeteria until the bell rings for them to return to class. Hallways and classrooms are off limits during lunch period. Only those restrooms near the cafeteria are to be used during the lunches. Cooperation makes lunchtime more enjoyable. Any behavior that lacks respect will be handled through disciplinary sanctions.

Students may not eat or drink in any area of the school other than the cafeteria.

Students consuming or found to be in possession of drugs or alcohol while on a class trip will have their parents notified and will be sent home from the class trip and will be subject to disciplinary action.

Phone Calls

If a parent/guardian needs to reach a student in an **emergency situation only**, they may do so by calling the Main Office. We will notify the student immediately. We do not deliver messages to students otherwise.

For an emergency only, students may report to the office and a call will be placed for the student.

Public Relations

CCHS recognizes that the school exists as an integral part of the community. We also believe that the success of the school's programs depend largely upon the effectiveness of parents, students, and staff working toward common goals. A continuous program of two-way communication is essential.

Only the Bishop, Pastoral Administrator, and/or the Principal will act as a Catholic Central spokesperson, unless an individual is designated as such by one of the above listed persons.

Gifts/Deliveries

No gifts or deliveries of any kind will be accepted at the school for students.

Relationship with Law Enforcement Officials

It shall be the policy of CCHS that a cooperative effort is maintained between the school administration and law enforcement agencies. Law enforcement officials can be summoned in order to conduct an investigation of alleged criminal conduct on the school premises or during school-sponsored activities or to maintain the educational environment. This includes searches of student lockers and cars for drugs and/or other illegal substances. They will also be summoned for the purpose of maintaining or restoring order when the presence of such officers is necessary to prevent injury to persons or property. Administrators have the responsibility and the authority to determine when the assistance of law enforcement officers is necessary within their respective jurisdictions.

Qualifying seniors having study hall scheduled during any other periods are not permitted to leave the school building and must report to his/her study hall. If a senior has senior privilege, he/she is to arrive to school no earlier than 5 minutes before their first class period unless specific permission is given by Administration. If a senior has senior privilege at the end of his/her day then he/she is to leave the premises until after dismissal. Additionally, for every failure senior receives in any quarter, he/she will be lose senior privilege for the following nine weeks and must report to the assigned study hall.

Students are reminded that they if they participate in an after school activity of any type they are to be in attendance for second period or they may NOT participate in the after school activity or athletics unless specifically excused by administration.

The student shall not be returned to the sport or activity until attended to by a physician or with the written consent of the parent.

In the event that the student's parent or guardian cannot be reached:

If the injury/illness does not appear to be critical, the student shall be properly supervised while efforts to reach the parent or guardian are continued.

If the injury/illness is of a serious nature, an ambulance/medical team shall be summoned while efforts to reach the parent or guardian are continued.

If the ambulance arrives and the parent or guardian has not yet been reached, a faculty member or responsible adult associated with the school shall accompany the student to the hospital and remain there until the parent/guardian arrives.

Study Hall

Study Hall is a scheduled activity. It provides the student with an opportunity to develop study skills and, like any other scheduled class, requires that the student be on time; be adequately prepared with books, notes and other materials; and work for the entire period.

Study hall is a time of study but may with the permission of the proctor be used to go to the library, media center, Guidance Office, make up a test, or conduct business at the Main Office.
