What is the SCRIP program?

The term SCRIP means substitute money. When you purchase SCRIP, you are purchasing negotiable gift certificates or debit cards that are used just like cash. National and local merchants issue the SCRIP from stores where you already shop every day for groceries, gasoline, prescriptions, tools, clothing, flowers, toys, restaurants, and other necessities. There are over 400 national vendors that offer SCRIP.

We also have more than 25 local merchants who support our school through the SCRIP program by giving us a discount when we purchase their certificates and debit cards.

What's in it for you?

For every SCRIP purchased, parents earn 70% of the percentage in the form of tuition credit. Tuition credit is posted directly to your account on the following quarterly schedule:

- **Sept. 15** for June 1 thru Aug. 30
- **Dec. 15** for Sept. 1 thru Nov. 31
- **March 15** for Dec 1 thru Feb 28
- **June 15** for March 1 thru May 30

Kroger credit is applied on a quarterly basis

Credit is applied to youngest child or to any other child – please let your coordinators know which tuition account you would like to receive credits.

***NOTE – credit questions will only be addressed up to 2 weeks after credit is issued.**

Get everyone involved!

Ask your relatives and friends to purchase SCRIP using your family number! It is easy to build up your tuition credit. We have families that pay for their entire annual tuition with SCRIP earnings! By purchasing SCRIP before you go shopping, the amount of tuition credit you can earn is actually limitless!

Gift giving is always easier and appreciated when you use SCRIP! Remember birthdays, weddings, anniversaries, teacher gifts. **Anyone can buy – just give them your customer number!!**

For Example

If you buy \$100 of groceries and \$25 of gasoline each week, this amounts to \$6,500 yearly. At 5% earnings, the revenue generated is \$325. **You get 70% of that credit or \$227.50 in free money!**

This example doesn't include clothing, prescriptions, and other household items you purchase. Nor does it include the many restaurants you frequent throughout the year. It does not count major purchases like a new washer, dryer, dishwasher, or a deck for the house – how much you earn is up to you!

SCRIP Basics

You can buy SCRIP by visiting the SCRIP Store at the listed times or send in orders with your student. Orders will be sent home with your child or you can pick it up at the SCRIP Store – please see order form to select preference

REMINDER 1: Each merchant has different rules as to how you can use their certificates and debit cards. Some give change, and others don't. Some allow you to use their SCRIP to pay on charge accounts, and some do not.

REMINDER 2: **Use your customer number on every order and completely fill out the order form to ensure proper credit. Checks and cash are the only way to pay for SCRIP**
****Our online program must be linked to a checking account via the PrestoPay system**

REMINDER 3: **Kroger credit can only be earned by 3 steps:**

1. Register your Kroger Plus Card online:

www.krogercommunityrewards.com,

2. Print out quarterly account summary from your Kroger account – we will send out notice at appropriate times. Make sure it lists Bishop Mussio or CCHS as the recipient school.

3. Make sure you write your SCRIP family ID on the printout.

REMINDER 4: Discount percentages and denominations change – **Please use updated, current forms only, download at www.steubenvillecatholicschools.com under the Giving tab**

REMINDER 5: Occasionally our suppliers run out of certain SCRIP. Please be aware that this is beyond our control and we try our best to keep in stock the SCRIP listed on the In-Stock Order Form. We apologize in advance for any inconvenience.

REMINDER 6: Many of the SCRIP merchants are national or multi-state retail chains. Unless indicated on it, the SCRIP is good wherever the merchant has a store.
