

Bishop John King Mussio Junior High Student/Parent Handbook

ABOUT THIS HANDBOOK

This handbook provides students and parents with information about policies and procedures at Bishop John King Mussio Central Junior High School (sometimes referred to as “the Junior High School”).

The provisions of the Diocesan Policy Manual are expressly incorporated through this handbook and are designated by (DH). This handbook is not meant to be the exclusive document governing all policies and procedures at the school and may be amended, changed or modified at any time. The specific application of these policies is subject to the discretion of the school principal, pastoral administrator and diocesan superintendent or their designees.

Since an orderly and effective school environment requires that all members of the school community accept and meet stated expectations, it is important for students and parents to be familiar with these policies and procedures.

The parent(s) and/or guardian(s) and the student agree to follow and adhere to the policies, rules and regulations of the School as currently set forth in this Parent-Student Handbook and such other rules and regulations as may be promulgated hereafter by the School. (DH)

The Principal may amend the Parent-Student Handbook as needed and such amendments shall become effective upon written notification to parents of any such amendments. (DH)

The Diocesan Handbook for Schools (Effective December 18, 2002) supersedes the local Faculty and the local Parent- Student Handbook. In the event of conflicts between these documents, The Office of Education and Diocesan Attorney shall make final determination for any resolution of the conflict(s). Such resolution shall become effective upon written notification to the parties involved. (DH)

The Diocesan Handbook for Schools is available for review by any parent in the school office.

MUSSIO JUNIOR HIGH SCHOOL MISSION

Bishop John King Mussio Junior High is a diocesan school serving the students of the Ohio Valley. Our primary mission is to provide a faith based, academic community that forms minds, hearts, and souls in the likeness of Christ. We foster the God-given gifts of our students through challenging curriculum, fine arts, athletics, and service in a learning environment based on trust and mutual respect.

We believe...

...the Catholic Faith must permeate the curriculum and develop disciples who value and live the Gospel teachings.

...adolescents possess unique educational, social, and emotional needs that impact the learning process

...each child must be equipped with the tools necessary to reach his or her highest potential

...it is important to serve others through the sharing of time, treasures, and talents

...the collaboration of school, family, parish, and community is essential to a well-rounded education

OVERVIEW

Bishop John King Mussio Central Junior High School and Catholic Central High School operate as a 6th-12th grade system under the auspices of the Diocese of Steubenville. Mrs. Judith (Jude) Lucas is the school principal, Mrs. Morgan Hunter is the assistant principal, and Fr. Michael Gossett is the pastoral administrator. The Schools serve Holy Family, St. Peter, and Triumph of the Cross parishes (Steubenville), Blessed Sacrament and Our Lady of Lourdes parishes (Wintersville), St. Agnes parish (Mingo Junction), St. John Fisher parish (Richmond), and St. Francis and St. Joseph parishes (Toronto). Students from other parishes and non-Catholic students are also enrolled.

The parochial school system of Steubenville has a long history of providing a solid education for its students. Graduates of our city's Catholic schools serve as community leaders in the fields of medicine, law, education and business throughout the Ohio Valley and have given back to their community in numerous and substantial ways.

Bishop John King Mussio Elementary School and Bishop John King Mussio Junior High School were established on July 1, 2008 as a result of the consolidation of All Saints, Aquinas, and Holy Rosary Central schools. Initially, the Elementary School operated on two campuses in the previous Aquinas Central and Holy Rosary Central buildings; the Elementary now operates on one campus in the former Holy Rosary Central building. The Junior High School operates as a central sixth, seventh and eighth grade educational institution in its own section of the Catholic Central High School building.

The Schools have a Local Educational Advisory Committee (LEAC), which assists the principal and pastoral administrator in setting school policies and practices. The consultative governance model developed by the National Catholic Educational Association is employed.

A more complete description of the organizational structure of diocesan schools is found in Chapter One of the Diocesan Handbook for Schools.

ADMISSION

Non-Discrimination Policy

The Catholic Schools of the Diocese of Steubenville admit students of any race, religion, gender, sex, disability, color, age, or national origin, to all the rights, privileges, programs and activities. Schools shall not discriminate on the basis of race, religion, gender, sex, disability, color, age, or national origin in the administration of their educational policies, scholarships, loans, fee waivers or educational programs. In addition, the schools are not intended to be an alternative to court or administrative agency ordered, or public school district initiated desegregation. The Catholic Schools of the Diocese of Steubenville will not discriminate on the basis of race, color, age, sex, or ethnic origin in the hiring of its certified or non-certified personnel. (DH)

General Expectations

All students admitted to the Schools are required to attend as full-time students, must take all required subjects, and must attend all religious functions that occur within the regular school day. Spiritual development is a core purpose of Catholic higher education and is integrated throughout the curriculum

and activities of the Schools. Students receive regular Catholic religious' instruction, participate in school Masses and other Catholic prayers and devotional activities. The Schools offer a disciplined environment based upon the principles of charity, respect, and caring for one another.

Students from all faiths and religious traditions who respect our Catholic identity and mission are wholeheartedly welcome to our Schools.

Transfer Students

Parents/guardians of prospective students transferring into the Schools must provide written permission to obtain official records from the previous school, including but not limited to academic records, standardized test scores, and discipline records. Transfer students will be screened by the Schools before final grade level determination is made. The Schools reserve the right to re-assign the student to the grade best suited to their educational and social needs.

Home Bound Instruction

The Schools do not offer supervisory assistance for prolonged absences for medical reasons. Students on homebound instruction come under the supervision and regulation of their local public school district and parents considering this must contact the Principal. Official written notification from the public school district must be received by the Principal stating that the student has been enrolled in a regulated program.

TUITION AND FEES

Financial Obligation

The parent(s)/guardian(s) agree to pay the tuition and all fees for the grade in which the student is to be enrolled. (DH)

The fact that the School allows tuition and fees to be paid in two or more installments does not create a fractional or divisible contract or in any way relieve the parent(s)/guardian(s) of the responsibility for the entire year's tuition and fees or the pro rata portion thereof in the case of late entrance. The parent(s)/guardian(s) further agree that the total amount due and payable to the School shall be considered as agreed upon liquidated damages between the parties to this agreement. (DH)

The parent(s)/guardian(s) agree that if payment of tuition is not made in accordance with the agreement, the School shall have the right to refuse to admit the student to class and to terminate the agreement. The parent(s)/guardian(s) also agree that the School shall have the right to withhold the transcript of the student's academic record and the student's diploma until all tuition and fees have been paid. (DH)

Delinquent Tuition

The primary source of operating income for the Schools is tuition. Failure to pay outstanding tuition or to pay it in a non-regular manner causes substantial financial problems for the school. All tuition is to be paid through the FACTS tuition plan that parents choose online during the enrollment/re-enrollment period prior to July 1 each year.

Financial Aid

The School and individual parishes have limited financial aid available to assist parents in meeting tuition obligations. The Diocese also offers financial aid through the Immaculate Heart Fund. Applications for such assistance are available at the School office and will require the parents (or guardians) to submit financial and tax records to support the application. In evaluating applications for financial assistance, the School may use outside consultants with a background in the administration of financial aid to assist in making awards. Confidentiality will be respected.

EdChoice Scholarship Program

The Educational Choice Scholarship (EdChoice) Program provides students from designated public schools the opportunity to attend participating private schools. The program also provides low-income students who are entering kindergarten through 12th grade scholarship opportunities.

More information may be found on the Ohio Department of Education website or you may call the school for an explanation.

Withdrawal

ACADEMIC EXPECTATIONS

Grading

The grading scale used at the Schools is mandated by the diocese and presupposes that high standards to receive academic recognition encourage students to excel.

The Diocesan Grade Scale:

A	93-100%	Superior
B	85-92%	Above Average
C	75-84%	Average
D	66-74%	Below Average
F	65% or less	Failure
S		Satisfactory
U		Unsatisfactory

Homework

The purpose of homework is three-fold; to continue practice in an area taught, to further understanding and to help students learn to study. Extracurricular activities are not an acceptable reason for not completing homework.

- Students in grades 4 – 6 should expect 40-60 minutes of homework per night, excluding special projects.
- Students in grades 7 and 8 should expect 70-90 minutes of homework per night, excluding special projects.

Each teacher posts homework or lesson plans on RenWeb/FACTS our parent information system.

If a Junior High student is absent, please consult RenWeb for homework.

The student who has been absent for excused reasons will have the number of days equal to the time they were absent to make up this work. An extension to this time frame may be granted by faculty members for students who were on an excused absence. If work is not completed on time, the student will not receive full credit for the work. Work that is not completed at all will receive no credit.

Reports, Conferences, and Communication

Interim progress reports will be sent to all students to share information on the student's schoolwork midway through the quarter. Report cards will be sent home following the close of each quarter. Parents are encouraged to attend a conference after receiving first quarter report cards. A second conference night is scheduled during the third quarter.

Parents are welcome to meet with teachers at other times during the school year. Appointments can be made by sending an e-mail directly to the teacher or by calling the School office and leaving a message for the teacher.

If a problem arises during the school year, parents should discuss the problem directly with the teacher. If the matter is not resolved, parents may then confer with the principal.

Honor Roll

To recognize excellence, an honor roll list is compiled each quarter. This list contains the following designations: Principal's Honor Roll: Straight A's, no U's, A in conduct.

Faculty Honor Roll: A's & B's, A or B in conduct, no U's.

Subjects included in the Honor Roll are Religion, Math, Social Studies, Literature, English, Science, Health, Music, Art, Gym, Computers, and Spanish. Classes taken at Catholic Central High School are not included in honor roll calculations.

PROMOTION AND RETENTION

Students passing all major subjects will be promoted to the next grade.

Parents are notified at the end of the first semester if their child is at risk of retention or placement. A conference with the student and parent will be held. Students failing one or more subject may be placed in the next grade and required to complete one or more of the following: summer tutoring, a school "Bridge Book" program, or a virtual learning course in the subject(s) that they failed. Students who do not successfully complete the requirements will be retained.

Sacramental Preparation

The Elementary School assists parishes and parents by providing instructional preparation for Reconciliation and First Eucharist in the second grade. Confirmation instruction is provided by parishes. Parents should contact their parish for additional requirements for sacraments.

Providing for Individual Differences

Students are assigned to grade level classrooms of mixed skill and ability grouping. Students are encouraged in this environment to interact with a wide level of achievement levels and are challenged to reach or exceed their ability levels.

Bishop Mussio Junior High strives to help bring out the gifts of each student. The school works to provide accommodations and programs to better serve our students with special needs according to resources available to the school.

In order to accommodate a student who has been evaluated for special learning needs, parents/guardians are required to share educational/psychological testing with the school and the student's Individualized Education Plan if applicable. If a student has been identified with a disability or if parents suspect a disability, it is the parent/guardian's duty to follow up with the public school district to determine if an Individualized Education Program is appropriate. Failure to disclose known special education needs can be cause to void the application for registration. Special educational needs that are identified after a student has been accepted will be addressed in compliance to the rules of IDEA as apply to chartered nonpublic schools in the State of Ohio.

Students who require special education services must be identified through the procedures specified by the Individuals with Disabilities Education Act (IDEA) Amendments of 1997 (eft: 3-12-1999) or the Individuals with Disabilities Education Improvement Act of 2004. (DH) Diocesan Schools may provide, at their discretion, an Educational Accommodation Plan. Parent(s)/Guardian(s) are advised that this program is not a substitute for the IDEA specified by federal legislation. (DH)

Steubenville Catholic Schools are a Jon Peterson Special Needs Scholarship approved provider as well as an Autism Scholarship approved provider. Applications for these programs can be obtained from the Ohio Department of Education website or the school office.

THE BISHOP MUSSIO H.O.P.E. PROGRAM

Steubenville Catholic Schools; Honoring Other People's Exceptionalities (H.O.P.E) Program works to provide students with special needs a loving and inclusive education within a Catholic School System. Students are embraced as a part of the school community and included within the general education classroom to the greatest extent possible as determined by the school education team and the child's family. In order to provide the best educational experience for our students, we believe that a student's education should be based on the student's gifts and strengths.

Students are placed in the least restrictive placement possible, while making sure the child is receiving the proper level of support to insure success. Some students may spend the entire day in the general education classroom, while others may spend a significant part of their day in the resource room. Meeting a child's individual needs is of the utmost importance in determining an educational plan. Intervention specialists work along with the student's general education teacher in meeting the academic, emotional, and social needs of the student.

Services provided through the H.O.P.E. program are provided in both the general education classroom setting and the school resource room. Services provided include: intervention services; speech therapy; occupational therapy; school psychological services; and aide services. The schools attempt to follow the student's IEP to the greatest extent possible. If a service is not available, we will make an attempt to find a provider for that service.

Parent input is asked for throughout the year at regular meetings with the student's intervention team (at least twice per year) regarding the services seen and the student's progress. Parents are also asked to complete a satisfaction survey every April regarding their thoughts on the program.

STANDARDIZED TESTING

Students are required to participate in the testing program of the Diocese. The Iowa Test of Basic Skills is administered each spring. Students in grades 3-8 on state scholarship programs are required to take state assessments. Standardized tests are not reflected in the student's grade point averages, but are placed in the student's permanent record.

ATTENDANCE

The Schools exist to educate its students as fully as possible. We believe in, and are committed to fostering consistent, punctual attendance as a very important factor in successful education. Regular attendance provides a foundation for academic achievement and aids a student in developing a sense of responsibility and discipline.

Students enrolled in Diocesan Schools are expected to maintain a ninety-five percent (95%) attendance rate based upon the 178 days of instruction required by the Ohio Revised Code. It is the responsibility of the parent(s)/guardian(s) to support the Principal's efforts to maintain this standard through notification, counseling and where necessary, referral to appropriate legal sources. Principals shall notify parent(s)/guardian(s) of the school's concern about the student's attendance when five (5) days of absence have been recorded. Parental/Guardian failure to comply with the program of compulsory attendance will result in the withdrawal of the student from the school. The Principal shall be the final arbiter of what constitutes a satisfactory record of attendance. (DH)

LATE ARRIVAL

Any students arriving in homeroom after the tardy bell (7:55 am for the Junior High) must report to the office for a tardy slip before entering the classroom. A student tardy for school five times in a quarter may be asked to attend a conference with his or her parent and the principal. Students will be required to make up all missed work due to the tardiness at the teacher's convenience. At the Jr High, students must serve detention after 5 tardies.

ABSENCE

Excused (legal) absences include the following: personal illness, necessary medical appointments, a death in the family or certain family emergencies. Absences for reasons other than these are unexcused.

The Ohio Missing Children's Act mandates that schools inform parents when a student has not reported for school. If a student will be absent from school, the parent must call the school between 7:45 a.m. and 8:30 a.m. to report the absence. If the parent has not called to report an absence by 8:30 a.m., the school will call the home of the student. If a parent cannot be reached, those persons listed on the emergency card will be contacted. If the absence will be a known one, a note should be sent to the office the day before.

A student with more than five unexcused absences in one grading period will be reported by the principal to the Diocesan Superintendent of Schools.

A student absent for ten or more days in one quarter may be asked to attend a conference with his or her parent, teacher and the principal. The student may receive failing grades in subject areas.

A student absent for 30 or more days in an academic year may be retained. Exceptions are those absences resulting from chronic or extended illness about which a physician's excuse must be provided.

The school will not consider absence for family vacations or other discretionary trips or events as excused absences. Students must make up all work or tests missed during excused or unexcused absences when they return to school. They will have the number of days equal to the time they were absent to make up this work. An extension to this time frame may be granted by faculty members for students who were on an excused absence.

INDIVIDUAL EARLY DISMISSAL

If a student becomes ill during the school day, he/she will be sent to the school nurse or to the office. If the nurse or office determines that the child should leave the school, the parent will be called and asked to take the child home. If the parent cannot be reached, those persons listed on the student's emergency information card will be contacted.

No student may leave the school grounds at any time during the school day unless the proper permission note has been provided by the parent and approved by the principal.

A student may not leave the school grounds with someone other than his or her parent unless the parent has provided permission.

A student asking permission to leave the school grounds because of a doctor's appointment must provide a written note from his or her parent stating such reason. All students must be signed out of the building.

CUSTODY OF ENROLLED STUDENT

Questions concerning the legally designated Custodian(s) for enrolled students will be referred to the Diocesan Attorney whose determination shall be final. (DH)

LUNCH

During lunchtime no student is permitted in the classrooms or any area other than the cafeteria without permission from a teacher or principal.

SCHOOL CANCELLATIONS AND DELAYS

Parents should not call the Schools or teachers for information regarding cancellations and delays. The Schools use the following media when weather conditions prohibit the opening of school or having regular classes:

- WTOV Channel 9, WTRF Channel 7
- wtov9.com
- RenWeb Parent Alert

In the event of a two-hour delay:

- The Junior High School will begin at 9:55 a.m. Students may not arrive before 9:30 a.m. and will wait in Lanman Hall. The close of the school day remains at 2:45 p.m.

STUDENT RECORDS

Family Educational Rights and Privacy Act of 1974 (FERPA)

The parent(s) and the legally designated Guardian(s) who have contracted for the education of an enrolled student will be permitted to review that student's educational record. Parent(s) and Guardian(s) who have not contracted for the education of an enrolled student will not be permitted to review that student's educational record. The final determination in all cases involving parental/guardian rights and privileges with respect to reviewing a student's educational record rests with the Diocesan Attorney. (DH)

CODE OF STUDENT CONDUCT

Parents, the first teachers, bear the responsibility for teaching positive, acceptable behavior to their children. By establishing expectations and enforcing them in a loving, fair and consistent manner, parents help their children gain the self-control and achieve the self-direction needed for adulthood.

In school, teachers and staff reinforce the positive behaviors taught at home. By establishing classroom rules and enforcing them along with the School code of conduct, teachers encourage students to become young men and women of virtue and mature members of society.

The student is subject to the authority of School officials and to expectations for appropriate behavior at all times the student is on school property, during field trips and at school-sponsored or -endorsed functions (e.g. a dance held by another Catholic school or sports game or practice), and as the student travels to and from school, including when being transported by a public school district.

The School recognizes a violation of the Code of Conduct may present unique facts and circumstances and, on occasion, may not even specifically address the proscribed behavior. Therefore, the School reserves the right to modify any penalty set forth herein to reasonably and justly respond to the proscribed behavior. Further, the School reserves the right to modify and amend the Discipline Policy, as it deems reasonable and necessary to promote the safety and general welfare of the School's students.

The principal may make exceptions to written disciplinary procedures at the building level where in his/her judgment such exception is warranted and such exceptions are not in conflict with the Diocesan Handbook for Schools. (DH)

If student misconduct is or may also be a violation of civil law, the School reserves the authority to refer the matter concurrently to the police or other appropriate civil authorities and to levy penalties in addition to and separate from those given by another authority.

COMPLAINT PROCEDURES

Parental complaints about a Teacher(s) shall be directed first to the Teacher(s), then to the Principal whose decision is final.

Parental complaints about a Principal shall be directed first to the Principal, then to the Pastoral Administrator whose decision is final.

NOTE: THERE IS NO APPEAL TO THE DIOCESAN SUPERINTENDENT OF SCHOOLS AFTER A DECISION BY THE PRINCIPAL AND/OR PASTORAL ADMINISTRATOR HAS BEEN MADE.

CONDUCT GRADE AND DEMERIT SYSTEM

Students in grades 6-8 begin each nine-week period with 100 points. For each infraction, the student receives a specified number of demerits. The conduct grade on the report card equals 100 minus the number of demerits the student has received during the grading period converted into the Diocesan letter grade scale.

Demerits are assigned on the basis of the seriousness of a violation of school rules and whether the behavior is of a habitual pattern (i.e. repeated infractions of a particular rule or rules will result in an increased number of demerits being given the student). The faculty and staff members, in consultation with the principal if necessary, will determine the appropriate number of demerits to give in each particular situation, taking into account the circumstances surrounding the violation of school rules. The principal will be the final authority regarding the number of demerits to be assigned in cases of student misbehavior. Students with an F in conduct will not be eligible to attend school extra-curricular activities.

As a guide to students and parents regarding what types of behavior constitute student misbehavior and the relative seriousness of these possible infractions, the following list and scale is offered. This list is not meant to be comprehensive nor the number of demerits listed to be viewed as a cap. The School, and in particular the principal, reserves the authority to promulgate school rules, define student misbehavior and determine appropriate punishment and sanctions for violations of School rules.

Violations for which 1-5 demerits are usually given:

- Chewing gum, littering, general disorderliness
- Classroom disruptions, i.e. talking during class, answering out, out of seat without permission, etc.
- Being in an unassigned area without permission
- Not being prepared for class
- Uniform policy violations, including hair length for boys

Violations for which 5-10 demerits are usually given:

- Copying homework, submitting another's work as one's own (0 grade credit as well as demerits)
- Disrespect to another student
- Disrespect to a teacher or staff member
- Using obscene language or gestures
- Cheating (assignment grade will be impacted also)
- Inappropriate behavior in church or during prayer
- Possession of a cell phone or electronic devices during school hours

Violations for which 10-20 demerits are usually given and suspension and/or expulsion considered:

- Assault in any form, i.e. fighting, hazing,
- Harassment
- Threatening physical harm or causing psychological harm
- Theft
- Forgery
- Destruction of property, vandalism
- Endangering the safety of others
- Bringing to school drugs, alcohol, tobacco, firearms or other weapons, or any dangerous object or substance.

ADDITIONAL DISCIPLINARY MEASURES

Other forms of punishment for misbehavior such as loss of privileges, written punishment assignments, "time out," in-school suspension, or detention can be assigned in addition to or as an alternative to giving demerits at the discretion of the faculty member and/or principal. The goal of these punishments is to reinforce the need for the student to modify his/her behavior and help her/him learn from mistakes. For example, writing a letter of apology to a student who has been harmed by another student, writing a composition on a particular related topic, and the like, can help a student to see the consequences of the misbehavior giving rise to the demerits and/or punishment.

DETENTION

The Principal may assign detention to a student in grades 6-8 for the following reasons:

- A student accumulates five demerits will be assigned a detention and for every five thereafter.
- A student fails to complete three or more assignments in a given subject. This includes homework assignments as well as graded assignments.
- A student whose misbehavior is determined by the Principal to be serious or habitual. Students in grades 6-8 will serve detention from 2:45 – 3:45 pm. A behavior notification will be sent home to inform parents of the requirement to serve detention via the REN-WEB/FACTS system.

SUSPENSIONS AND EXPULSION

The following procedures for suspension and expulsion apply to all schools in the Diocese of Steubenville. The intent is to keep communications clear between the Office of Education and the Schools, and to remove any appeal beyond the concurrence of the superintendent and principal in cases related to expulsion. Decisions related to suspensions fall within the authority of the Schools.

The Principal may suspend a student for serious misbehavior or a repeated pattern of misbehavior. There is no appeal of the Principal's decision to suspend a student. (DH)

When imposing a sanction of suspension for student misbehavior, the Principal:

- Provides a hearing for the student to review reason(s) for the suspension.
- Determines the number of days of suspension to a maximum of ten (10).
- Informs the Pastoral Administrator of the decision to suspend the student.

- Notifies the parents/guardians by certified mail of the reason(s) for the suspension and the number of days and dates involved; and that the student is responsible for "making up" class work missed during period of suspension.

Suspensions are subject to these procedures:

- Student must report to the School office in uniform with a parent by 7:55 am in the Junior High, to pick up all assignments.
- Student must return to the School office at 2:40 p.m., in uniform, with a parent, and all work completed. All work that is incomplete will receive a "0" grade.
- Tests may be made up when the student returns from suspension.
- During an out of school suspension, the student is marked absent.
- The student is not permitted to participate in any extracurricular activities during a suspension. If the suspension is to be an "in school" suspension, the school principal will determine the appropriate procedures and will communicate these to the parent and student.

A student will be suspended during the time required to process an expulsion as outlined below. The Principal may implement an immediate suspension prior to a hearing if the Principal determines that the safety of students, staff or the normal conduct of instruction is in jeopardy.

EXPULSION

An expulsion action may be initiated by the Principal for serious violations of school rules, in cases where the safety of students or staff may be in jeopardy, or when there is a repeated pattern of suspensions in a school year. The diocesan procedures in an expulsion action are the following:

The Principal:

- Gathers appropriate documentation leading to a recommendation for expulsion and provides for a hearing with the student and the parents/guardians.
- Confers with Pastoral Administrator for agreement to recommend expulsion.
- Recommends expulsion (in writing) to the Diocesan Superintendent of Schools who will conduct a formal review (to the extent needed) of the recommendation and inform the Principal of concurrence or non-concurrence with the recommendation.

If the diocesan superintendent concurs with the recommendation of the Principal, the parents/guardian will be notified in writing by the Principal that the decision to expel is final and the effective date of the expulsion (there is no appeal of a decision to expel a student).

If the diocesan superintendent does not concur with the recommendation of the Principal, the Principal shall implement the recommendation(s) of the diocesan superintendent and notify the parent/guardian of those recommendations in writing.

All written communication to the parent(s)/guardian(s) will be sent by certified mail.

ANTI-HARASSMENT POLICY

It is the policy of the Office of Education of the Diocese of Steubenville that any harassment of students by students shall not be tolerated. Students shall not be permitted to engage in physical or verbal harassment based upon race, color, creed, ethnic origin, gender, and physical or mental limitations of other students. The Principals and Teachers shall enforce this policy as an integral part of their employment responsibilities. (DH)

(DH)

HEALTH AND SAFETY

Visitors

All visitors (including parents, volunteers, student teachers, field experience students) must report to the Elementary School or Junior High School Main Office immediately upon arrival.

Junior High visitors must enter the building via the Bishop Mussio Junior High entrance (not the Catholic Central High School entrance) and report to the Bishop Mussio Junior High Main Office.

Lunches and other items a student may have forgotten at home will be dropped off in the office for delivery to the student. All doors to the school will remain locked during the school day and may not be used by students unless directed by a faculty member or the principal.

Volunteers

The Schools welcome and rely on volunteers to assist with our programs. Volunteers are required to report to the appropriate Main Office immediately upon arrival. Volunteer tags will be issued to authorized volunteers from the Main Office. When working with a teacher, the teacher is ultimately responsible for student safety and discipline. Any disciplinary concerns a volunteer has should be brought to the attention of the teacher.

All volunteers working 3 hours or more per month with students are required to provide BCI/FBI background check. All volunteers must adhere to the Diocesan Policy Decree on Child Protection and Safe Environment.

Drills

Regular fire, tornado and "lock down" drills are conducted at the school. Student misbehavior during these drills or in the event of an actual emergency will be considered a very serious disciplinary infraction.

Emergency Crisis Plan

A separate plan has been developed that informs and educates staff on methods and procedures to use in the event of various types of emergencies. In the event of an evacuation, the Parent Broadcast System will send information via phone calls and cell phone messages. In addition, cancellations and delays will be communicated to parents via WTOV 9, WTRF 7 wtov9.com, and One Call Now/Ren Web Parent Alert. The plan is available in the School office for parents to review.

Immunizations

Students are required to provide proof of immunization against mumps, polio myelitis, diphtheria, pertussis, tetanus, rubeola, rubella and chickenpox at the time of their original entry into the school or at the beginning of the school year. Parent(s)/Guardian(s) objecting to this requirement must submit a written statement explaining their objection. The Principal shall make the final determination as to whether the student is to be admitted. Students who do not provide the required documentation for immunization will be withdrawn from the school on the fifteenth day after admission. (DH)

Health Services

The Schools provide psychological screening, hearing test and health screening (e.g. blood pressure, height, weight). Additional testing will also be done at the parent's and/or teacher's request upon parent approval. A nurse is on duty daily in the school. Parents will be notified regarding any injury or sickness reported by the student to the nurse or office.

The management of prescription medication is arranged cooperatively by parent, principal, school nurse, teacher and pupil. The parents must submit the required form that includes the doctor's signature, the name of the medication, dosage, when administered, and possible side effects. The parent is responsible for providing the prescription medicine and notifying the school of any changes in

the original order. The prescription medicine must come to school in the original container dispensed by the pharmacist and properly labeled. The School nurse or appointed personnel dispenses the prescription medication.

The following non-prescription medications (Tylenol, ibuprofen, antacids, and cough drops) can be administered by the School nurse or appointed personnel with the written permission slip from parents.

GUIDELINES FOR STUDENTS WITH LIFE-THREATENING ALLERGIES (LTA)

Allergic reactions can span a wide range of severity of symptoms. The most severe and potentially life threatening reaction is anaphylaxis. BJKM cannot guarantee to provide an allergen-free environment for all students with life threatening allergies, or prevent any harm to students in emergencies. The goal is to minimize the risk of exposure to food allergens that pose a threat to those students.

The school nurse, in conjunction with the student's parent(s)/guardian(s) and the primary care provider/allergist will prepare and Allergy Action Plan/Individual Health Care Plan for any student with a life threatening allergy. The Allergy Action Plan/Individual Health Care Plan will be available in the nurse's office and homeroom in the student's homeroom. EpiPens must be brought to the nurse's office and will be available in case of emergency.

Staff will be trained to identify and respond to reactions from LTA's, including the use of EpiPens. Any staff involved with students who have LTA's will be informed and provided information on the specific allergen. School staff will take steps to ensure that these classrooms and instructional areas are as allergen free as possible.

BJKM will provide and maintain LTA free tables in the cafeteria s needed by the Individual Health Care Plan. These tables will be designated by a universal symbol. These tables will be cleaned and sanitized. Elementary schools encourage "NO FOOD TRADING" and "NO UTENSIL SHARING" policies to minimize accidental exposure to allergens.

It is requested that each parent of a student with an LTA inform the school nurse of your child's allergies prior to the opening of school (or as soon as possible after a diagnosis). Parents should provide the school a list of foods and ingredients to be avoided.

Parents should do the following:

- Provide the school nurse with enough up-to-date emergency medications (including EpiPens) so they can be place in all required locations for the current school year.
- Complete and submit all required medication forms.
- Encourage students to wash hands before and after handling food.
- Teach your child to recognize the first symptoms of an allergic/anaphylactic reaction and to communicate clearly as soon as she/he feels a reaction is starting.
- Not share snacks, lunches or drinks.

CHOKING POLICY

BJKM aims to make children, parents and staff aware of health and safety issues and to minimize the hazards and risks to enable the children to thrive in a healthy and safe environment. All staff has been trained and holds a current and valid certificate CPR/First Aid. In the event of a student choking, staff

will assess the situation and administer first aid as appropriate. If an episode of choking is severe and requires the Heimlich maneuver and/or CPR, emergency services will be contacted as well as notifying the parents. Student will be transported to the hospital, accompanied by staff, until parent/guardian arrives.

PROHIBITION ON WEAPONS

Pursuant to the Ohio Revised Code, no person shall knowingly possess, have under the person's control, convey, or attempt to convey a deadly weapon or dangerous ordnance onto these premises. A valid carry concealed license does not authorize the licensee to carry a weapon onto these premises. Violators will be prosecuted. (DH)

HEALTH THREAT—ANABOLIC STEROIDS

Warning: Improper use of anabolic steroids may cause serious or fatal health problems, such as heart disease, stroke, cancer, growth deformities, infertility, personality changes, severe acne, and baldness. Possession, sale, or use of anabolic steroids without a valid prescription is a crime punishable by a fine and imprisonment. (Ohio Revised Code 3313.752) (DH)

Lost & Found

A "lost & found" chest is kept in the Main Office to which any books, clothing, toys, jewelry or other items found around the building are delivered. Students losing anything should check the office. At the end of the school year, any items remaining in "lost & found" are discarded or given to charity.

A hot lunch program is offered daily. Students have the option to buy or bring their own lunch. Parents are permitted to drop off lunches for students in the main office. Milk is also available for purchase. Parents must ensure that all students have a nutritious lunch each day.

Students are not permitted to possess or use cell phones during the school day. Parents will be required to retrieve a cell phone that is confiscated from a student. Students may make necessary phone calls during the school day from the school office.

Students are not permitted to use any sort of electronic device (e.g., cell phones, smart watches, iPods, etc.) in school or during school activities (such as field trips) unless specifically permitted to do so by a faculty member.

STAFF TRAINING AND DEVELOPMENT

Ongoing development is an obligation for any of our educators. Teachers are expected to continually hone her/his craft through practice, prayer, experience, reflection, and inquiry. The school expects educators to keep improving instructional practices through professional and diocesan in-services, attending outside conferences, by pursuing advanced degrees, and by networking with colleagues. The Principal and Director of Student Services works with each staff member to find appropriate professional development to best meet the needs of each teacher. Whole school staff development to meet school goals are given at staff professional days and staff meetings throughout the year. Teachers are required to complete 180 contact hours (18 CEUs) over the five year cycle of his/her licensure. The Local Professional Development Committee (LPDC) approves the Individual Professional Development Plan for each teacher. The teacher aligns professional development with goals stated in that plan.

RANDOM SEARCHES OF FACILITIES

The building, grounds, classrooms, and lockers located within the Mussio Junior High School building are the exclusive property of the Diocese of Steubenville and may be searched randomly in accordance with the Ohio Revised Code and case law promulgated by the courts of Ohio. (DH)

SPORTS

Junior High School

Junior High School students are eligible to participate in the Junior Crusader Athletic Program. The Junior Crusader Athletic Program operates under the auspices of the principal, and with the assistance of the Junior Crusader Athletic Director. Decisions regarding athletic offerings and participation are at the discretion of the principal.

Eligibility will be reviewed every other Friday; if a student is not maintaining a 75% cumulative average for all subjects, the student will be ineligible to participate the following week (Monday through Saturday).

Student athletes must maintain satisfactory conduct. As a result of misconduct the principal may determine that a student is not eligible to participate in athletic activities for a certain time period.

ARRIVAL AND DISMISSAL

Buses

Indian Creek School District, Toronto City Schools, Edison Local Schools, Buckeye Local, Harrison Hills provide bus transportation to and from Bishop John King Mussio Junior High School. Buses drop off and pick up at locations mutually identified by the public school district and the School. The School office manager coordinates public school busing and can answer (or get answers) to specific questions parents may have not addressed here. The public school district will assign students to a particular bus depending on his/her residence. This may or may not be the same bus number for both drop off and pick up. It is important for parents to get transportation arrangements established well before the first day of school. The School office manager can help with this or the parent can contact the transportation director of the public school district in which the student resides.

Junior High students are dropped off at the main entrance to Catholic Central High School, and proceed directly to Lanman Hall. Junior High students who arrive with older siblings attending Catholic Central High School must report immediately to Lanman.

7.6 In addition to disciplinary action, students who commit acts of harassment, intimidation or bullying which are deemed to be of a serious nature, may be required to undergo a psychological examination by a licensed psychologist before the student is readmitted to school. All costs associated with this requirement as well as the educational needs of the student during this period will be the full responsibility of the parent/guardian.
