## **DISCLAIMERS**

## **Non-Discrimination Policy**

The Diocese of Steubenville admits students of any race, color and national or ethnic origin. It is the policy of the Diocese of Steubenville not to discriminate on the basis of sex in its educational programs or employment as required by Title IX of the education amendments of 1972.

By registering at *CCHS*, a student and his/her parents/guardians understand and agree to pursue the educational objectives and practices, payment of the tuition as stated in this handbook, and to observe the disciplinary code of this school and the Diocese. Enrolling your son/daughter in *CCHS* implies your acceptance to be governed by the policies in this Handbook.

All policies, regulations and practices as stated are in compliance with Ohio School Law as found in the Ohio Revised Code as pertaining to chartered non-public schools; the Ohio Department of Education; the Ohio Catholic Schools Accrediting Association, the North Central Association of Schools and Colleges, and the Diocesan Office of Education.

Catholic Central High School shall hereafter be designated as *CCHS*. This Handbook will be modified from year to year as needed by changes in policies and regulations

### **PHILOSOPHY**

Our Catholic Community seeks to pass on its heritage of Faith to our children. *CCHS* exists primarily to serve this mission. This Tradition calls forth:

A belief in the active presence of God, which we celebrate in prayer, and Liturgy;
A maturity that accepts responsibility and recognizes limitations;
A regard for the authority of the Church;
An active concern for social justice, peace and human rights, both personal and communal; psychological growth and a personal sense of self-worth.

It is the responsibility of the entire staff to emulate these ideals and to ensure that they pervade the structure of school life. It is in service to the Gospel of Jesus Christ and our Christian ministry that we seek to promote spiritual, intellectual, physical, and social growth in a caring community environment. *CCHS* strives to be a resource and a guide to this lifelong task through a program of sound religious formation and excellence in education.

# As an education institution, CCHS seeks primarily to:

- ♦ Lead students to an awareness of the Lord Jesus Christ in their lives;
- ♦ Promote in the individual student those morally sound behaviors, which promote success, such as effective study habits; use of available resources; and a desire to investigate beyond the basics;
- Foster academic excellence, inquiry and development in the curriculum, as well as encouraging

- aesthetic, athletic, vocational and parish/community programs;
- ♦ Support the democratic ideals of our nation by instilling in the students a sense of Christian leadership and responsible political involvement;
- A Respect and nurture an interdependent relationship between and among the school community and the parents, parishes, and communities from which *CCHS* draws life.

### **School Seal**

The seal of *Catholic Central High School*, in the school colors of Blue and Gold, is divided into three parts. The upper two segments display the Crusader, a Sword and a Band. These emblems are symbolic of the Christian ideals on which *CCHS* is founded, and to which each of her students strives to integrate into his/her life. The third section of the seal bears a rose, a heart and a crescent...symbols of the Immaculate Heart of Mary. Mary, under the title of the Immaculate Conception, is the patroness of Catholic Central. In Mary, the students find the perfect model and guide as they grow towards their goal of Christian adulthood.

# **SCHOOL SERVICES**

#### **Catholic Identity**

Mass is celebrated regularly in the school chapel as an option open to all students and staff. Weekly liturgies are offered for the entire student body and faculty throughout the school year. Adoration, Reconciliation, school-wide prayer services, class liturgies and retreats form yet another part of prayer and are offered on a regular basis. Catholic Central also holds an annual Kairos Retreat for juniors and seniors.

# **Cafeteria**

The school cafeteria prepares and serves a daily hot lunch when classes are in session throughout the school year. Students can order either full lunches or a la carte. Milk and other beverages can be purchased to supplement lunches.

### **Guidance Office**

Guidance Personnel are professionally trained and state-certified staff members who are in a position to assist the students in making decisions and assuming responsibility regarding self, school programs, and future education and careers. Major decisions regarding future education and career plans should begin to take shape towards the end of the student's sophomore year.

The senior year should ideally be used to apply to colleges, universities, and other post-secondary schools and programs; and meeting all application, registration, financial assistance and scholarship deadlines. It is recommended that students visit at least three colleges, universities, technical schools or other post-secondary programs during the summer preceding their senior year. It is the policy of *CCHS* to permit seniors to have up

to a maximum of three one-day excused absences to visit colleges or universities in which they are sincerely interested in attending. Juniors are permitted to make two college visits during their junior year.

# These school-authorized visitations are conducted under the following conditions:

- all college visits MUST be pre-approved by the Dean of Students at least one week in advance;
- a scheduled appointment has been previously made with the college or university Admissions Office;
- the visit has the prior approval of the Guidance Department;
- the student make up all school work missed that day;
- the student pick up and return the visitation form to the Dean of Students Office no later than the day before his/her scheduled visitation; and that an official written verification of the visit, on college or university stationery, be presented to the Dean of Students Office on the next school day following the visitation.

### **College Recommendation and Transfer of Credit**

The recommendation to any college, university, technical or business school or any other program of post-secondary education is based strictly on the student's academic record and conduct. If the academic average and conduct record is deficient, no favorable recommendation can be given. A photocopy of the student's transcript will be sent to a college, university, technical or business school or any other program of post-secondary education upon the request of the student and/or his/her parents/guardians. There is a \$5.00 fee for each photocopy of the transcript sent. This fee does NOT apply when current students are filling out scholarship applications.

### **Guidance Office Services**

**Consultation**- Guidance Personnel are available to work with students, teachers and Administrator regarding students' concerns, difficulties and problems. Counselors will also consult with parents and, when/if appropriate, authorized agencies in the community.

**Information**- Guidance Personnel will provide services that will assist students in making personal, educational, career and vocational decisions.

**Appraisal**- Guidance Personnel will coordinate and interpret local and national testing programs for students and their parents or guardians.

**Orientation**- Guidance Personnel will provide information about the school to new students that will enable them to make an effective adjustment to the school environment.

**Referral**- Guidance Personnel will develop and facilitate a system of referrals that will make available learning opportunities, as well as school and community services, to students and parents.

**Placement**- Guidance Personnel will assist students in making transitions from one school level to another; from one school to another; and from high school to post-secondary educational options and/or career choices. **Testing**- Guidance Personnel will provide for needed testing of students aimed at determining special needs and learning disabilities.

### **Finance Office**

The Finance Office is open from 7:30am until 2:30pm on days classes are held during the regular school year. We are more than happy to set up an appointment if necessary. Tuition is paid through the FACTS (RenWeb). Advance-sale tickets to football and other school-sponsored athletic events are purchased through the Main Office. FACTS (RenWeb) will be turned off for nonpayment of tuition.

# **STUDENT ACADEMICS**

### **Course Availability**

Catholic Central High School reserves the right to decide, at any time prior to the first day of school, whether a given elective will be offered in a given year. This determination will be based on such factors as student interest, rotation sequence, availability of teaching staff, and funding. In some cases, electives are offered in alternating years, i.e. one elective offered one year, one the next. In such cases, the elective not offered during the coming year may be printed in italics. Catholic Central High School reserves the right to modify the prerequisites for any course when clearly extenuating and/or extraordinary circumstances are evident.

## **Course Offerings and Academic Requirements**

Students at *CCHS* are offered subjects that cover the traditional course offerings of College-Preparatory, General Curriculum, Classical Curriculum (Chesterton Academy), S.T.R.E.A.M. (Science, Technology, Religion, Engineering, Arts, Mathematics) and selected Business and Applied Arts Areas. These courses are designed to accommodate individual student differences and ability levels and to give a truly balanced education in terms of theology, the sciences, languages, technology and the humanities. A complete listing of course offerings can be found in the *Course Offering* book.

Freshmen, sophomores, and juniors are required to take a minimum of 7 credits each year. Seniors are required to take a minimum of 6 credits. Courses shall be chosen on a three-fold basis that includes past achievement, actual ability, and established future educational plans and career choices.

Students are required to earn credit in the following academic areas as a requirement for graduation;

Theology 4 credits
English 4 credits
Mathematics 4 credits

**Social Studies** 4 credits including: American History, Government, and Geography

Science 3 credits including: Biology and a Physical Science course

Economics & Finance .5 credits
Health .5 credits
Physical Education .5 credits
Fine Arts 1 credit

*In addition,* students take a minimum of 5.5 suitable electives to meet all State, Diocesan, North Central Association and OCSAA requirements. These electives can be chosen from any area offered at *CCHS*.

### **Advanced Placement Courses**

Advanced Placement courses are offered based upon staffing and enrollment. Students who are enrolled in an AP class are expected to take the AP Exam at the end of the year. Summer work is typically assigned and it is required that students complete it prior to the start of school. As in all courses, academic honesty is expected and failure to adhere to these expectations may result in removal from the AP course.

# **College Preparatory Curriculum**

The program is designed to prepare students to enter a college/university. Students in this program may select electives from any of those offered at Catholic Central; they are encouraged to take an additional 1 credit in mathematics; 2 credits in laboratory science, 1 credit in a fine arts course, and either 3 (honors diploma) or 4 credits (honors curriculum) in foreign language. The program also offers opportunities for high school students to earn college credit.

#### **Chesterton Academy**

The Chesterton Academy is a Classical Curriculum within Catholic Central. It has five core courses in the program including Latin, Philosophy, Theology, Literature, and History. All of these courses are taught through

the lens of the Catholic Church. Daily mass is a part of this program.

#### S.T.R.E.A.M.

The S.T.R.E.A.M. program concentrates on an Engineering pathway. It is a hands-on, team-oriented class that encourages cooperation, critical thinking, communication, and creativity. This pathway will teach the basic engineering principles, the design loop, and the application of their knowledge to the solving of real world problems.

## **Progress Reports**

Progress notices for students who are experiencing academic difficulties are mailed and/or e-mailed to parents or guardians at the mid-point of each quarterly grading period. Parents and guardians should contact their child's teacher(s) and/or the Guidance Office if notices are received.

# **Providing for Individual Differences**

Students are assigned to grade level classrooms of mixed skills and ability groupings. Students are encouraged to interact with a wide range of achievement levels and are challenged to reach or exceed their ability levels. Catholic Central strives to bring out the gifts and talents of each student. The school works to provide accommodations and programs to better serve all of our students with special needs according to the resources available to the school. In order to accommodate a student who has been evaluated for special learning needs, parents/guardians are required to share educational/psychological testing with the school and the student's Individualized Education Plan if applicable. If a student has been identified with a disability or if parents suspect a disability, it is the parent/guardian's responsibility to follow up with the public school to determine if an Individualized Education Program is appropriate. Failure to disclose known special education needs can be cause to void the application for registration. Special education needs that are identified after the students have been accepted, will be addressed in compliance to the rules of the IDEA as they apply to chartered non-public schools in the state of Ohio. Catholic Central is an approved provider for a Jon Peterson Special Needs Scholarship.

Catholic Central's Honoring Other People's Exceptionalities (H.O.P.E.) Program works with students to provide students with special needs a loving and inclusive education within the Catholic School system. Students are embraced as a part of the school community and included within the general education classroom to the greatest extent possible as determined by the special education team and the child's family. Students are placed in the least restrictive environment. Meeting the child's individual needs is of utmost importance in determining an education plan. Intervention Specialists work along with the student's general education teacher in meeting the academic, emotional, and social needs of the student.

### **Semester and Final Examinations**

Mandatory comprehensive examinations are scheduled at the end of each semester. Details concerning these examinations are published prior to the days on which they are scheduled. These examinations account for 20% of the student's semester grade. Students are required to take their semester and final examinations during the regularly scheduled time. Students <u>will not</u> be dismissed from these examinations for vacation purposes. Exemptions are always at the discretion of the teacher. A student must obtain a grade of 95% or above for their final grade in order for them to be eligible for an exemption; however, if a student has a 93% or above with 5 or less absences, they may also be considered for an exemption. A student may also be deemed ineligible based upon their demerits and excessive absences.

#### <u>Grading System – Scale</u>

+ (plus) or - (minus) is used to better clarify student performance and achievement.

A+	99 – 100	С	79 – 82
Α	95 - 98	C-	77 - 78
A-	93 - 94	D+	75 - 76
B+	91 - 92	D	72 - 74
В	87 - 90	D-	70 - 71
B-	85 - 86	F	Below 70
C+	83 - 84		

### **Class Rank**

The class rank for **seniors** for the purpose of determining Class Valedictorian, Salutatorian and graduation rank is computed, cumulatively, on the final grade received in each semester course and each full year course throughout the student's junior year of high school, plus the grades earned in the senior year for each course through the **END OF THE 4**<sup>th</sup> **Quarter**. (This will include college courses.) In order to be eligible for Class Valedictorian, Salutatorian or Top Ten, transfer students shall have been enrolled at *CCHS* for at least their entire Junior and Senior years or 4 semesters. If there is a tie, priority will be given to students who earn an Honors Curriculum, Honors Diploma, AP Classes, CCP classes or a member of the National Honor Society.

## **College Credit Plus**

Ohio's new College Credit Plus can help you earn college and high school credits at the same time by taking college courses from colleges and/or universities. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to college-ready students. Taking a College Credit Plus course from a public college or university is free, which means no cost for tuition, books, or fees. If you choose to attend a private college or university, you may have limited costs.

#### **Honors Curriculum**

Catholic Central offers an Honors Curriculum for **juniors and seniors only**. The intent of this program is to offer to those accelerated students the opportunity to participate in a full honors program. This will be reflected on both their graduation diploma and their transcript. To graduate with the full honors designation a student must have the following coursework and a minimum cumulative GPA of 3.0.

**RELIGION:** 2 credits

**ENGLISH:** 2 credits: AP Lang. or H. English III and AP Lit. or H. English IV

FOREIGN LANGUAGE III & IV: 2 credits

MATH: 2 credits: Pre-Calculus, AP Calculus, AP Statistics

SCIENCE: 3 credits: Chemistry I, AP Chemistry, Physics, AP Biology, A&P

**SOCIAL STUDIES:** 1 credit: AP Government

**ELECTIVES:** 1 credit: College Credit Plus or Franciscan or AP course is required

### **Honor Roll**

Honor Roll for Quarters 1 and 3 cannot include students taking College Credit Plus or Dual Enrollment classes due to the college grading system. Honor Roll for Quarters 2 and 4 will include all students. Students who achieve a 3.000 (B) grade-point average or higher on an unweighted scale and have no grades of D or F for the quarter are listed on the Honor Roll. Students who achieve a 4.000 (A) grade-point average or higher on an unweighted scale and have a grade of "A" in every course for the quarter are listed on the **Principal's Honor Roll**. Students named to the Honor Roll or the Principal's Honor Roll will have this information placed on their permanent school record.

### **Incomplete Grades**

An Incomplete ("I") given for any grading period indicates that a student has not completed a significant amount of class work for that grading period. An "I" will be given in such cases where the student has been absent from school for an extended period of time due to serious illness, hospitalization, personal or family hardship/tragedy or due to unpaid financial obligations.

### **Ohio State Tests**

State tests are critical for measuring student learning and ensuring that all students receive a quality education. The Ohio State Tests will be administered to the freshman, sophomore and junior students. They are given in the areas of English 10, Algebra 1, Geometry, American History, American Government and Biology as the students complete each course. For the graduating classes of 2021 and 2022, students must accumulate 18 points on the 7 End of the Course Exams in order to be eligible to receive a diploma or earn a remediation free score on a national college test (ACT or SAT). For the graduating classes of 2023 and 2024 the State of Ohio will be setting new graduation criteria.

## **Weighted Courses**

In order to equalize the grade point average of those students taking regular courses and those taking more rigorous courses, a weighted-point value system has been established.

		Standard	Honors	AP/CCP
Grade	Percentage	GPA	GPA	GPA
A+	99-100	4.25	4.75	5.25
А	95-98	4.0	4.50	5.0

### **Vocational Education**

A special program in Vocational Education is offered through the Jefferson County Joint Vocational School, whereby a student at Catholic Central can prepare for a career in one of many technical fields. Students in this program complete their first two years of study at *CCHS* where they successfully complete the following academic requirements.

Religion 2 credits
English 2 credits
Mathematics 2 credits

Science 2 credits including: Biology and Physical Science

Health .5 credit Physical Ed. .5 credit

Social Studies 2 credits including: World History and American History

The student chooses suitable elective courses to complete his freshman and sophomore years at Catholic Central. During his/her final two years of high school, courses are taken at the Jefferson County Joint Vocational School where, in addition to the technical studies, graduation requirements in both English and Social Studies are taken. All students who are enrolled in the JVS are required to attend Religion class at *CCHS* equivalent to the time of full-time students. In this manner, students meet the religious education requirements necessary for graduation from *CCHS*. *CCHS* students attending the JVS who do not attend these Religion Classes will not be granted a diploma from *CCHS*. The prospective student shall file application for the Joint Vocational School during his/her sophomore year. He/she shall normally initiate this process by first consulting with the Guidance Office at Catholic Central. Students attending the JVS are assessed a tuition fee. Seniors who attend the JVS are also required to pay the CCHS graduation fee. Catholic Central students attending the JVS remain Catholic Central students and are encouraged to participate in the student activities program.

### **Service Requirement**

All students will be required to earn **15 service hours each year**. Freshman and sophomore students are encouraged to volunteer their service to their parish and in the school. Junior and Senior students are asked to volunteer in the school, parish and community. Community service hours are recorded and tabulated as part of the student's transcript. Service hours must be completed **by April 30**<sup>th</sup> each year.

For Graduation 15 hours per year	15 Hours
For the Academic Letter, grades 10.11.12	35 Hours
For NHS, grades 11,12	20 Hours
For NHS Students pursuing an Academic Letter	45 Hours

The twenty hours that students are required to complete for NHS will count toward their 15 hours for graduation; these hours CAN overlap. However, only ten (10) of the hours, which students complete for NHS, can be counted toward the hours required for the Academic Letter. NHS students must complete an additional thirty-five (35) hours in order to earn an Academic Letter for a total of 45 hours. Remember that service hours for the Academic letter must include hours performed in service to the school, in service to the parish, and in service to the community.

## **Failure of Theology Courses**

A freshman, sophomore, or junior who fails a required Theology course must repeat the course. A first-semester senior who fails a Religion course will be placed into an additional religion course during the second

semester.

### **Failure of Other Required Courses**

A freshman, sophomore, junior or second-semester senior who fails a course required for graduation from *CCHS* shall successfully complete the course only through an approved summer school program. In the event that the course is not offered through an approved summer school program, the student will be rescheduled for the course during the succeeding school year. Should this not be possible, Catholic Central can approve the completion of the course through an approved on-line or correspondence school option. English and any other required courses which serve as prerequisites for sequential courses, and which are not offered in an approved summer school program, shall be completed through an approved on-line or correspondence school option during the summer following the school year in which the course was failed. All course work and testing shall be completed prior to the start of school in the fall.

A first-semester senior who fails a course required for graduation will, if his/her schedule permits, be rescheduled into a comparable course during the second semester or can elect to take an approved course through an approved on-line or correspondence school program. All course work must be completed by the end of the school year. *CCHS* will not award a diploma to any student who has not fulfilled financial obligations, completed all State, Diocesan, school, and North Central Association academic and attendance requirements.

### **Financial Assistance**

Financial assistance is available by completing the Financial Assistance Form. The forms are available beginning with registration and are due to the Finance Office.

#### **Release of Records**

Transcripts of student academic records can be released to the parents/guardians of a student (or to the student, in the case of an 18 year old). The records shall be requested in writing by a parent/guardian (or student, in the case of an 18 year old). The fee for a transcript is \$5.00.

# **COMPULSORY EDUCATION AND SCHOOL ATTENDANCE**

#### **Student Attendance**

Students enrolled in Diocesan Schools are expected to maintain a ninety-five percent (95%) attendance rate based upon the 1,001 hours of instruction required by the Ohio Revised Code. **THIS MEANS that STUDENTS SHOULD NOT ACCUMULATE more than 10 days per semester.** 

A student who has missed ten (10) or more classes per semester may receive an automatic "I" for those classes until a review is completed by the Attendance Committee. For extenuating circumstances, the attendance committee will review. Parents are required to call the school each day a student will not be in attendance because of illness. Further, parents are to send a note stating the reason for the absence with the student the day he/she returns to school after the absence.

Students are required to be in attendance for no less than full school day in order to participate in school-sponsored interscholastic and/or extra - or co-curricular events and activities. Any extenuating circumstances must be approved by the administration.

Catholic Central students who have attained their eighteenth birthday are required to comply with all aspects of *CCHS* attendance policy if they wish to remain in the school and to graduate from this school. This includes the requirement to present a written note from their parents or guardians for school absences. **Catholic** 

Central's Attendance Committee will meet on a regular basis to review student attendance and make recommendations to the administration concerning the student.

# **Excused / Unexcused Absences**

All absences MUST be reported to the Main Office the day of the absence by the parent. If not the student is considered truant. A doctor's note MUST be provided in order for the absence to be excused. All other absences reported by the parent are classified as unexcused.

### <u>Arrival and Dismissal - Tardiness - Truancy from Class</u>

A student arriving at their 1<sup>st</sup> period class after the 7:55am bell has rung is **tardy** for that class. Students who arrive later than 7:55am will need a note from the Main Office to enter their 1<sup>st</sup> period class. Students who are habitually tardy for school will be subject school to sanctions and will be required to have a parent conference with the Administration. Students who are habitually tardy to school do not receive the benefit of a complete education.

Unexcused tardiness to school in the morning or during the day constitutes truancy and will be assigned a detention after the 3<sup>rd</sup> tardy. The student will be required to make up any time missed after school. Students are never permitted to leave school grounds during the day without parental/guardian permission and an excuse from the Main Office. Students found leaving the school grounds without proper permission will be administered a disciplinary infraction. An exception to this is *Senior Privilege* and as such must have a written permission form on file in the Main Office. If a student is to be dismissed during the school day, the parent or guardian must send in a note with the student in the morning. The office staff will issue a "Permit to Leave School" which the student will present to the teacher before being permitted to leave that class. A phone call should only be used in an emergency. Students, who normally ride a school bus that picks up students at 2:20pm, but who drove to school on a particular day, may not leave until regular dismissal time.

<u>Family Trips (3 or more consecutive days)</u> Family trips during regularly scheduled school time are discouraged. However, should an unavoidable trip be necessary; arrangements shall be made in advance of their trip. Students accompanying their parents/guardians on a trip shall:

- Notify the school Administration in writing two weeks prior to planned trip;
- Hold a conference with the various teachers in order to obtain necessary assignments and signature(s);
- Confirm that the conferences were held to the Administration; and
- Complete all of the required work and assignments.

A student not complying with the aforementioned policies may receive failing grades "F" for the work missed. Absences while on family trips are counted towards the accumulated maximum of ten (10) during any given quarter and for any given class.

### Illness during the school day

A student who becomes ill during the course of the regular school day **shall report to the school nurse**. If the student's illness is of such gravity that they shall be sent home, the parents or guardians will be contacted by the nurse for arrangements to go home. Students are not permitted to leave school unless a parent or authorized family member has been contacted for permission. **Additionally, students who become ill at school are not to call their parents or guardians rather than reporting to the school nurse**.

Specifically, this means that the student is not absent <u>beyond the first</u> period nor dismissed before the end of the school day, unless he/she has *Senior Privilege* during the first or last period. Likewise, students are expected to be in attendance on the last school day preceding non-school day events and activities in order to participate, as members, in these school-sponsored interscholastic and/or extra - or co-curricular events and activities. Normally, students who are absent from school the entire day are not to be in attendance, either as

spectators or participants, in school-sponsored athletic, extra- or co-curricular events and/or activities on the day of the absence. Exceptions to the above policy shall be made only by the Principal, and then, only if arrangements were made with the Principal prior to the date in question.

## **Student Responsibility for absence**

Students are required to see all of their teachers on the day they return to school following an absence. This is to be done outside of the regular class time. Students will be given one day for each day absent to complete all tests, quizzes or make-up work. This make-up time can be extended for a reasonable period at the discretion of the teacher. However, students who have not made-up all tests, quizzes and other class work by the end of the quarter may be given time to complete these during the succeeding quarter or grading period.

Students who are truant from one or more classes are <u>not</u> permitted to make-up tests, quizzes or work missed during the truancy. The tests, quizzes or work missed will be recorded as a failing grade "F". Absenteeism and tardiness are recorded on the student's permanent, cumulative record. This is subject to review by college/university admissions officers, financial assistance and/or scholarship agencies, prospective employers, and other types of post-secondary educational and employment directors. It is not unusual for a college, university, financial assistance or scholarship application to request that the high school indicate the number of school-sponsored, excused and unexcused absences that a student has accumulated throughout his/her high school career.

#### **STUDENT HEALTH AND SAFETY**

## **Anabolic Steroids - Health Threat**

<u>Warning:</u> Improper use of anabolic steroids may cause serious or fatal health problems, such as heart disease, stroke, cancer, growth deformities, infertility, personality changes, severe acne, and baldness. Possession, sale or use of anabolic steroids without a valid prescription is a crime punishable by a fine and imprisonment. (Ohio Revised Code 3313.752)

### **Immunizations**

In order to be in compliance with the Ohio Department of Health, all students enrolled in grades 9-12 must have received the following immunizations up to this point. 1 dose of TDaP required for 7<sup>th</sup>-12<sup>th</sup>, 3-4 Polio Vaccines, 2 MMR (Measles, Mumps, and Rubella), 3 Hepatitis B, 2 Varicella, and 1 Meningococcal Vaccines. Please note ALL part time CCHS and JVS students are also obliged to adhere to these policies. Please review your records and if your child is missing any of the above immunizations, please have them immunized or sign an exemption form and submit up-dated records to the CCHS Health Office. The exemption form must be submitted annually. Students entering 12<sup>th</sup> grade are required by the Ohio State Department of Health to have had the 2<sup>nd</sup> dose of Meningococcal (A.C.Y.W-135 to protect against Meningitis) immunization. Immunization shots can be obtained at many local pharmacies, the Jefferson County Health Department or through your family physician.

### **Medical Authorization Forms**

Under the Ohio Revised Code, each student shall have a completed Emergency Medical Authorization Form on file in the school. These forms are completed on an annual basis. Failure to complete the form can result in the student not being permitted to attend classes until such time as the completed forms are submitted.

### **Safety Drills**

Specific directions for drills are posted in all classrooms. All faculty members have the responsibility to make students aware of these regulations. Students are required to be with their respective classes, maintain silence,

remain with them during the entire drill and follow the Code of Conduct. A signal will be given to return to the classroom.

### **Substance Abuse - Counterfeit Controlled Substances**

Catholic Central stands against drug and alcohol use in any form and shall take whatever policy or legal means available to prevent such practices from affecting the welfare of the student population. Students who are suspected to be under the influence of drugs or alcohol must go for a drug test that day. A student will only be re-admitted to school upon clearance from a medical professional. If a student is found to be using, selling, purchasing or in possession of drugs, alcohol, or counterfeit controlled substances on school grounds, at school-sponsored or related school activities off school grounds, or at any other time; the student is subject to both the school administration and/or legal agencies. Immediate notification of the student's parents/guardians AND if appropriate, the proper legal authorities will be notified.

Any student discovered to be using drugs and/or controlled substances will be referred to a counseling or therapy program for treatment. Should a student refuse to accept the therapy program, or, after having consented to the program, but does not continue the program, and/or continues his/her behavior of drug abuse, will be expelled from the school. The sale or purchase of, or any attempt to sell or purchase, any controlled substance, counterfeit controlled substance, and/or alcohol shall constitute grounds for a probationary hearing which will result in suspension and/or expulsion from the school.

This policy does not apply to those students who are taking physician prescribed medications. Medical authorization forms for these types of medications are required to be completed by the parents/guardians.

# Homecoming, Semi-Formal, and Prom Dress and Dance Code Rules

### **Dress Code:**

Catholic Central High School dances are events, which reflect the philosophy of our school and the teachings of the Catholic Church. Among our most important considerations is adherence to Church teachings regarding modesty.

According to the Catechism of the Catholic Church, "Purity requires modesty. Modesty protects the intimate center of the person. It means refusing to unveil what should remain hidden. It is ordered to chastity to whose sensitivity it bears witness. Modesty is decency. It inspires one's choice of clothing. It keeps silence or reserve where there is evident risk of unhealthy curiosity. It is discrete. Teaching modesty to children and adolescents means awakening in them respect for the human person." In accordance with the Catechism, Catholic Central High School sets forth the following dress and dance rules for our students and their dates:

### **Girls' Attire:**

### Tops

- 1. The neckline of a dress, top, or gown must be cut in a modest way without showing cleavage. Spaghetti straps/strapless dresses are allowed, as long as they are not low cut.
- 2. The cut of a dress in the back and sides must not be cut below the navel.

## **Length**

- 1. A dress, skirt, or gown must be longer than mid-thigh.
- 2. Slits in a dress or skirt may be **no higher than mid-thigh**.

## Miscellaneous

- Two-piece dresses are allowed if the space between the top and skirt is less than two
  inches. No navel is allowed to show.
- 2. The top must not show any cleavage.
- 3. The bodice of the dress must not have any fabric cutouts including cutouts that have been replaced with nude or sheer material.
- 4. Dresses should not be excessively tight.
- Covering up dresses that do not meet the dress code with cover-ups (coats, shawls, sweaters) do not make an otherwise inappropriate dress allowable.

### **Boy's Attire:**

- 1. Young men are expected to wear a collared dress shirt and dress pants. A matching suit or tuxedo is also appropriate.
- 2. Young men are expected to keep their shirts on and buttoned for the entire dance.
- 3. Young men are expected to be clean-shaven and meet school guidelines regarding length and style of hair.

## **Additional Notes:**

Admittance to the Homecoming Dance, Semi-formal, and Prom, with consideration of attire, will be left to the discretion of the administration present that evening. Parents will be called to bring a change of clothes if the student is dressed inappropriately, otherwise the student will be asked to leave after the parent phone call. The Administration reserves the right to ask for a picture of the prom dress/outfit. **These rules apply to dates from other schools as well.** 

Because our Catholic schools remain faithful to the constant teaching of the Catholic Church concerning the dignity of the human person and the God-willed design of human sexuality and marriage, students participating in school sponsored events such as prom or formal may not bring a date of the same sex.

### **Dance Code:**

- 1. Appropriate physical contact only. Sexually suggestive dancing will not be tolerated.
- 2. No straddling legs
- 3. No grinding
- 4. No inappropriate touching
- 5. No overt and/or prolonged public displays of affection
- 6. Both feet on the floor
- 7. Hands on waists or shoulders only

### STUDENT CODE OF CONDUCT

The Principal may make exceptions to written disciplinary procedures at the building level. Under most circumstances, *CCHS* uses a progressive disciplinary process to provide students with an opportunity to learn from their mistakes and improve their behavior. This disciplinary process provides for notification of parents/guardians and ensures that the student and the parents/guardians are afforded due process. While the normal progression of disciplinary action moves from demerits to suspension to expulsion, the Administration of *CCHS* reserves the right to bypass lesser levels of penalty for continued, willful, grossly insubordinate, dangerous, or potentially dangerous behaviors.

# Cell Phone/Personal Electronic/Recording/Transmitting Devices

Teachers have the right to collect cell phones at the beginning of class. No electronic devices (smart watches, cell phones, headsets, earbuds, laptop computers, etc.) shall be seen or heard during class. This includes trips to the bathroom. Faculty and/or administration will confiscate any device seen or heard and turn it into the Principal's Office.

 $\underline{1^{st} \ Offense}$  - \$10.00 fine, 1 demerit, student pick up cell phone at the end of the day  $\underline{2^{nd} \ Offense}$  - \$15.00 fine, 2 demerits, student pick up cell phone at the end of the day  $\underline{3^{rd} \ Offense}$  - \$20.00 fine, 3 demerits, parent pick up cell phone at the end of the day

# Any further offenses will be handled on a case-by-case base by the Dean of Students

#### Cheating

CCHS students are expected to maintain the highest standards of honesty and integrity in all academic areas. The school looks upon cheating on any test and all other class assignments as an extremely serious offense. Cheating is unjust, dishonest, and in a very real sense, stealing. If a student is discovered to have carried out the dishonest action of cheating on any test or class assignment, the following steps will occur: The teacher or faculty member who discovers the dishonesty will inform the student and the administration of his/her finding. A disciplinary referral form will be submitted by the teacher to the administration. A copy of the report will be sent to the parents/guardians of the student, and a copy will be placed in the student's file. The minimum penalty for cheating is a grade of "0", a one-day in school suspension and possible suspension from sports, clubs, and officer positions. Cheating on standardized tests (PLAN, PSAT, etc.) will result in sanctions or consequences by the school and as mandated by the responsible agency. Plagiarism is a serious offense that also falls under the category of cheating.

### **False Alarms**

A student shall not discharge or cause to be discharged any false alarm for fire, fire extinguishers, tornado or any emergency event. This behavior will result in a probationary hearing that will result in a suspension or expulsion and a potential fine.

## Hazing

CCHS has a no tolerance policy with regard to any Hazing activities, as they are inconsistent with the educational process and a violation of human rights and dignity. No Administrator, faculty member or other employee of the school shall encourage, permit, condone, or tolerate any hazing activities. No student, including leaders of student organizations, shall plan, encourage or engage in any hazing. Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Permission, consent or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained herein. All hazing incidents shall be reported immediately to the Administration. Law forbids hazing, and the State of Ohio provides fines and imprisonment for students who engage in hazing, and provides fines for adults who permit hazing.

### **Obscenity/Profanity**

Students shall not use profanity or obscene language, either written or verbal, in communicating with another student, staff member, or visitor. This includes, but is not limited to, obscene gestures, signs, pictures, publications, and any willful and/or grievous verbal and physical disrespect towards any member of the staff. This behavior will result in a probationary hearing that will result in disciplinary action.

### **Peer Harassment**

Peer harassment is strictly forbidden on the premises and during programs and activities of all Diocesan Schools. Peer harassment is any unwelcome physical or verbal conduct directed at a person that interferes with the ability of a student(s) to receive an education. Students enrolled at all Diocesan Schools shall treat their fellow students with dignity and respect all times on school property and in school programs and activities. Disciplinary action shall result from violations of this anti-harassment policy. Students are strongly encouraged to report peer harassment immediately to a teacher who shall report it immediately to the Principal. The Principal shall take prompt and fair action to investigate any report and to stop the peer harassment.

#### **Peer Sexual Harassment**

Peer sexual harassment is strictly forbidden on the premises and during programs and activities of all Diocesan Schools. Peer sexual harassment is any unwelcome physical or verbal conduct of a sexual nature, such as touching or grabbing or sexual comments, directed at a person because of his or her sex that interferes with the ability of a student to receive an education. Students enrolled at all Diocesan Schools shall treat their fellow students with dignity and respect all times on school property and in school programs and activities. Disciplinary action shall result from violations of this anti-harassment policy. Students are strongly encouraged to report peer sexual harassment immediately to a teacher who shall report it immediately to the Principal. The Principal shall take prompt and fair action to investigate any report and to stop the peer sexual harassment. Dating violence will not be tolerated at Catholic Central High School. Dating Violence is defined as a pattern of behavior where a person uses or threatens physical, sexual, verbal, or emotional abuse to control the person's dating partner. Demerits/Suspension may be issued based on the severity of the incident.

# **Prohibition on Weapons**

Pursuant to the Ohio Revised Code, no person shall knowingly possess, have under the person's control, convey, or attempt to convey a deadly weapon or dangerous ordnance onto these premises. A valid carry concealed license does not authorize the licensee to carry a weapon onto these premises. Violators will be

prosecuted.

### **Smoking**

Senate Bill 339 (possession/use of tobacco by pupils): This bill bans the possession and use of tobacco and tobacco products in school and at all school activities no matter where they are held. Tobacco use in any form will result in disciplinary action and a possible fine. This includes e-cigarettes, vaping devices, and Juuling.

### ASSIGNMENT OF DEMERITS AND EXPLANATION OF DEMERIT MATRIX

The ultimate purpose of a student code of conduct and the associated disciplinary policy is to ensure that a safe, supportive and effective environment is created and maintained in the school. It is further recognized that an array of student behaviors can have a range of negative effects on the environment depending upon the potential of the behavior to harm other students, members of the staff, the community in general, the student committing the offense him or herself, the physical environment or the learning atmosphere. The matrix of offenses outlined in this handbook provides a relative ranking of general categories of misbehavior based on the potential for major, widespread or irrevocable harm to members of the Catholic Central community. It is impossible to list or categorize all types of disciplinary violations; therefore, the school Administration reserves the right of disciplinary assignments as situations of merit.

### The matrix will serve as a general guide to students and parents in the matter.

#### **Suspension / Expulsion Procedures**

A student who merits suspension can be given an in-school suspension at the discretion of the Administration. In-School suspension consists of a student being separated from the general student population and assigned to a staff-supervised area where he/she will complete course-related assignments submitted by his/her teachers throughout the regular school day. The student's teachers will be notified of the suspension. Should the assignments not be handed in or be incomplete, the student will, at the discretion of the Administration, be given additional suspensions.

effective date of the expulsion (there is NO appeal of a decision to expel a student). If the Diocesan Superintendent does not concur with the recommendation of the Principal, the Principal shall implement the recommendations of the Superintendent and notify the Parent(s)/Guardian(s) of those recommendations in writing. All written communications to Parent(s)/Guardian(s) will be by certified mail.

### **Anti-Harassment Policy**

It is the policy of the Office of Education of the Diocese of Steubenville that any harassment of students by students shall not be tolerated. Students shall not be permitted to engage in physical or verbal harassment based upon race, color, ethnic origin, gender and physical or mental limitations of other students. The Principal and teachers shall enforce this policy as an integral part of their employment responsibilities.

### **Assault: Physical and/or Menacing**

A student shall not act or behave in such a manner that could or does cause injury (physical, mental, emotional) to another person. Discipline can result in suspension or expulsion as determined by the Principal.

## **GENERAL REGULATIONS**

## **Admissions and Transfers**

Students of any race, color, creed, ethnic or national background can apply for admission to *CCHS*. However, as a part of the local participating Catholic parishes educational ministry, Catholic Central exists first to serve qualified students from those parishes. Students who have withdrawn to attend one of the public schools in the area can be readmitted to *CCHS* at a later date, at the discretion of the Principal.

#### **Assemblies**

Assemblies are held for a variety of reasons: recreational, educational, or cultural. In order to have assemblies of a different variety, individuals will demonstrate respect for their fellow students and any persons conducting those assembly programs. Entrance procedures and seating have been assigned by the Administration. The administrator or faculty person will not invite into the school or onto its premises any political or public person who has shown support in any way whatsoever, for abortion, same sex marriage, or any serious life issues opposed to Catholic Church teaching. The administrator must also receive permission from the pastoral administrator before inviting a political person in the school.

# **Before and After the School Day**

Students are to wait in the lobby of the school or cafeteria when arriving prior to 7:45 and after school at 2:40. If students are attending tutoring sessions or study table they must be under the supervision of a teacher. No loitering in the hallways before or after the school day. Students must remain in the lobby area or cafeteria.

### **Cafeteria and Lunch Period**

All CCHS students are required to use the pavilion doors to go to and return from lunch. Students are expected to be in the cafeteria or pavilion when their lunch period begins and are to remain there and remain until the bell rings for them to return to class. Hallways and classrooms are off limits during lunch period. Only those restrooms near the cafeteria are to be used during the lunches. Cooperation makes lunchtime more enjoyable. Students are expected at all times to behave themselves in an appropriate manner. Students will be responsible for their food and tray items. Any behavior that lacks respect will be handled through disciplinary sanctions.

### **Class Trips**

During the school year, students may have the opportunity to go on out-of-town trips with their classmates. It is a privilege to participate in these class trips. Therefore, the following guidelines for the trips have been

established. Students guilty of the following school violations will not be permitted to attend class trips:

- Truancy from school during the school year;
- Suspension from school during the year;
- Involvement, consumption and/or sale of drugs or alcohol;
- Excessive absenteeism according to the *Parent/Student Handbook* (more than 5 absences during any given quarter for other than extended illness);

Students consuming or found to be in possession of drugs or alcohol while on a class trip will have their parents notified and will be sent home from the class trip and will be subject to disciplinary action.

#### Communication

It is recommended that if a difficulty arises, that students/parents seek first to resolve any situation with the faculty or staff member involved. If the difficulty cannot be resolved, the intervention of the Administration can be requested. The decision of the Principal is final.

### **Driving Regulations**

All students who drive to school are expected to fulfill the following conditions:

- Register their car, pay a registration fee of \$10 per year, and obtain a Student Parking Tag from the Dean of Students.

## **Lockers and Locks**

The buildings, grounds, classrooms, and lockers located at *CCHS* are the exclusive property of the Diocese of Steubenville and can be searched randomly in accordance with the Ohio Revised Code and case law promulgated by the courts of Ohio.

Each student will have his/her own personal locker, and will assume responsibility for books and personal belongings. In the event a student is caught stealing another's belongings, he/she is subject to expulsion.

Lockers are to be treated with care. Stickers and decals are not permitted on the inside or outside of
the lockers. Any damage, regardless of responsibility, will be charged to the student occupying the
locker. It shall also be the student's responsibility to report any malfunction or damage to the Main
Office. School locks may be purchased from the Main Office. CCHS is not responsible for lost or stolen
items left in lockers that are unlocked.

### **Lost and Found**

Lost articles can be turned in at the Main Office and can be claimed there. Anything unclaimed by June 15th will be donated (if appropriate) to Catholic Charities.

### **Parking Violation**

Any student who is found parking his/her car in an unauthorized area of the school grounds will be issued a \$10.00 fine. A disciplinary report will be placed on the windshield of each car notifying the student of the violation. A copy of this report will be kept in the Main Office and a copy will be sent home notifying the parents. Any vehicle parked in the lot without a parking permit will be subject to a \$5.00 fine (first offense); the second offense will be a \$10.00 fine and a temporary revoking of the parking permit. The parking permit is a privilege and not a right. It can be revoked by the Administration if necessary due to violation of the school rules or parking guidelines. **The police will be called for any vehicle in the lot NOT registered with CCHS.** 

### **Phone Calls**

If a parent/guardian needs to reach a student in an <u>emergency situation only</u>, they may do so by calling the Main Office. We will notify the student immediately. We <u>do not</u> deliver messages to students otherwise. For an emergency only, students may report to the office and a call will be placed for the student.

## **Photography**

From time to time, students are photographed. Further, these photographed individuals are not necessarily identified in publications. *CCHS* assumes the right to use such images without necessarily identifying individual students in various video and printed publications unless a parent/guardian notifies the school, in writing, at the beginning of the school year, if the parent/guardians wishes that the child's photograph not be published.

#### **Public Relations**

CCHS recognizes that the school exists as an integral part of the community. We also believe that the success of the school's programs depend largely upon the effectiveness of parents, students, and staff working toward common goals. A continuous program of two-way communication is essential. Only the Bishop, Pastoral Administrator, and/or the Principal will act as a Catholic Central spokesperson, unless an individual is designated as such by one of the above listed persons.

## **Relationship with Law Enforcement Officials**

It shall be the policy of *CCHS* that a cooperative effort is maintained between the school administration and law enforcement agencies. Law enforcement officials can be summoned in order to conduct an investigation of alleged criminal conduct on the school premises or during school-sponsored activities or to maintain the educational environment. This includes searches of student lockers and cars for drugs and/or other illegal substances. They will also be summoned for the purpose of maintaining or restoring order when the presence of such officers is necessary to prevent injury to persons or property. Administrators have the responsibility and the authority to determine when the assistance of law enforcement officers is necessary within their respective jurisdictions.

## **School Property - Posters, Advertising and Displays**

Posters or other displays shall not be used in the school building unless permission has been received from the Administration. Posters regarding out-of-school activities shall not be displayed until permission has been obtained from the Administration. No decorations or posters for various student activities shall be taped above the lockers on the plaster walls in the corridors. Students shall only decorate or post their advertisements on the tile walls of the corridor and on the metal locker units. Decorating shall be done only before or after school.

#### **School Cancellations and Delays**

In the event of a delay or school closing, Catholic Central will notify parents and students through a one-call and WTOV Channel 9.

## **Senior Privilege**

<u>Senior Privilege</u> is given to those <u>seniors</u> who have a minimum GPA of 3.0 from the previous nine-week period, AND who have registered the written parental permission form with the Main Office. If during the course of

the school year, a senior's nine week GPA falls below the required 3.00 then the senior privilege is <u>automatically revoked</u>; a senior can be reinstated should his/her GPA change above this threshold at the next grading period. Senior privilege is ONLY applicable for a delayed arrival due to a scheduled study hall first period and for a scheduled study hall at the end of the day. <u>Qualifying seniors</u> must report to their first scheduled class by **signing in at the office** and may leave after his/her last scheduled class of the day **and sign out**. Qualifying seniors having study hall scheduled during any other periods <u>are not permitted</u> to leave the school building and must report to his/her study hall. If a senior has senior privilege, he/she is to arrive at school <u>no earlier</u> than 5 minutes before their first class period unless specific permission is given by Administration. If a senior has senior privilege at the end of his/her day then he/she <u>is to leave the premises</u> until after dismissal. Additionally, for every failure a senior receives in any quarter, he/she will lose senior privilege for the following nine weeks and must report to the assigned study hall. <u>Only students with a parental permission form on file in the Main Office are entitled to senior privilege.</u> <u>Senior privileges may be rescinded for behavioral issues, absenteeism, or tardies. Senior privilege for 1st period will not apply on "end of the day assemblies.</u>

## **Social Activities**

All arrangements with the Administration regarding dates, times, and places for social functions shall be made by the class or club faculty sponsors. All such functions shall be properly chaperoned or the activity will be canceled. Because of the city of Steubenville's curfew, social functions shall close no later than 10 p.m. on weekdays and 11 p.m. on Fridays or Saturdays unless specifically extended by the Principal who will have notified the local authorities. Freshmen, from Catholic Central or any other high school, are not permitted to attend the Junior-Senior Prom. Junior High students are not permitted to attend any High School dances.

#### **Student Dismissal**

No teacher shall permit any student to leave school prior to the regular hour of dismissal, nor shall he send a student upon any errand away from the building. No student shall be permitted to leave school prior to dismissal time at the request of, or in the company of, anyone unless the permission of the Administration is obtained.

## **Student Injury/Illness**

Under no circumstances shall an injured/ill student be left unattended or in the care of another student. Every effort is to be made to contact the student's parent or legal guardian to notify them of the injury/illness. The student shall not be returned to the sport or activity until attended to by a physician or with the written consent of the parent.

In the event that the student's parent or guardian cannot be reached:

- 1. If the injury/illness does not appear to be critical, the student shall be properly supervised while efforts to reach the parent or guardian are continued.
- 2. If the injury/illness is of a serious nature, an ambulance/medical team shall be summoned while efforts to reach the parent or guardian are continued.
- 3. If the ambulance arrives and the parent or guardian has not yet been reached, a faculty member or responsible adult associated with the school shall accompany the student to the hospital and remain there until the parent/guardian arrives.

#### Student Responsibility for School Property

All persons on the CCHS property will be respectful of our property at all times. Students are responsible and will be held accountable for all school property issued to them for their use. This includes books, which are lost, stolen, loaned or defaced in any way. All hardback textbooks are to be covered. ALL books MUST be returned

#### to their teachers prior to exams.

### **Study Hall**

Study Hall is a scheduled activity. It provides the student with an opportunity to develop study skills and, like any other scheduled class, requires that the student be on time; be adequately prepared with books, notes and other materials; and work for the entire period. Study hall is a time of study but may with the <u>permission of the proctor</u> be used to go to the media center, Guidance Office, make up a test, or conduct business at the Main Office. A hall pass is necessary for any student to leave the study hall. A note to report to another room or teacher must be presented to the study hall proctor upon arrival to the study hall.

# **Transportation**

In most cases the public school district in which a student lives provides transportation. Students riding these buses shall conform to the rules and regulations imposed by the local school district which has authority over that particular bus. Violations of these regulations will cancel the student's privilege of riding the bus and will be subject to disciplinary action.

### **Visitors**

It is school policy that all visitors to the school must report to the Main Office upon their arrival, each visitor will be given a "Visitors Badge" that must be returned to the office upon departure. All visitors are expected to leave the premises when their business is completed. No one is permitted to enter a classroom or to interrupt a teacher while classes are in session for any reasons other than supervision and administrative or inter-faculty communication unless specifically authorized to do so by the Principal.
