Kroger Card Registration

Whether you shop a little or a lot, if you use credit for tuition or extra fees, and even if you don't think it adds up, you should register your Kroger card with our Scrip program. It's fast and easy. You can have all your friends, family & neighbors sign up.

Here's how:

- Go To [Kroger.com](https://www.kroger.com)
- Sign in or create an account. (put that info in notes)
- Under account, click my account
- Scroll to Community rewards
- Under Find an Organization use code XG149
- Hit search magnifying glass
- Bishop John King Mussio Central should pop up
- Hit enroll
- It should say " you have successfully enrolled in Community Rewards" in a green box above the words Donation Summary.
- Call the scrip office to give info so we can identify your rewards.
- Quarterly you will need to print off the page that shows your rewards and send it into the school.
- The more cards we have signed up, the higher percent of rewards we get from Krogers!
