The newly formed Alumni Association is a representative, active organization that shares and contributes to the mission of the Steubenville Catholic schools, and services the goals and needs of its alumni. By recognizing and supporting the mission, the CCHS Alumni Association and its members will help the Advancement Office plan for the future and create a positive alumni culture by providing meaningful opportunities for alumni engagement with one other and with CCHS.

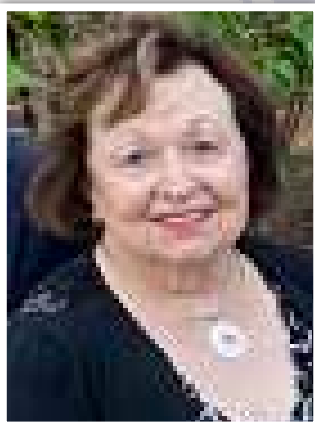

The Alumni Association is made up of both and Alumni Board as well as interested CCHS alumni. The Alumni Board is currently comprised of alumni members, each representing different decades. While the Alumni Association is still in its infancy, the Alumni Board will elect officers that will serve as the governing body. If you are interested in getting involved with the CCHS Alumni Association, please contact Jennifer Parker, Director of Advancement, at 740-264-5538 or jparker@steubenvillcatholiccentral.org.

Catholic Schools Week 2021

This year's Catholic Schools Week was one for the record books. Due to several major snow storms, we were able to celebrate Catholic Schools Week for three weeks. There were Teacher Appreciation Luncheons, a special breakfast cooked by Mr. Rigaud for the high school staff, doing random acts of kindness, dressing up as our future occupations, a Rosary Crusade, a living Rosary, a House Competition, School Olympics, Mass with His Most Reverent Bishop Jeffrey Monforton, and for the first time - two group photos of our alumni-faculty/staff were taken. One group photo at the Elementary and one at the High School. See photos below.

The National Catholic Education Association does a great job helping provide daily topics for us to celebrate each year, but it is our Catholic Schools Week committees who bring them to life. Our days are full of teaching and celebrating our families. It's a week we look forward to each year and one that is always memorable. Please enjoy some photos of what highlighted our days.

As much as we enjoy having fun in the classrooms during Catholic Schools Week, it really is a time for us to honor our students and families. Being able to teach your faith in a school setting is not something to be taken lightly. We take pride in our faith and academics and strive for excellence. We realize it is a sacrifice for our families to pay tuition each year for their child(ren). At Steubenville Catholic Schools, we are a family. Our hope and prayer, is that each child receives more than an education. We want them to receive the love and care of Jesus while in our buildings.
