

BJKM Parent Prayer Train

With all the exciting growth for BJKM this year and with great hope for many years to come, we as parents (with Home and School) want to support and love our students, teachers and staff in a special way.

WHO: Anyone who loves BJKM! Parents, Grandparents, Godparents, Aunts, Uncles, Friends, your dog! (just kidding, not your dog)

WHAT: Adopt 15 min during the week for our school community. The goal is to have every minute of every school day “covered” in prayer as our students learn, our teachers guide and our staff leads.

HOW: During your adopted minutes, you can pray formal prayers, spend time in silence, or offer the work you are already doing for the intentions and wellbeing of all those in the BJKM community. Scan the QR below to get to the sign-up genius and pick a time that works for you and your schedule.

Can't join? Ask a family member, a neighbor or friend! Our goal is to fill our week by October 15 for the School Campaign Kickoff!
